I, call me anyone,  
Am actually many  
Fused into other ones —  
Other whole beings —  
Which will be more, much more,  
And yet remain one:  
I am Westwood.

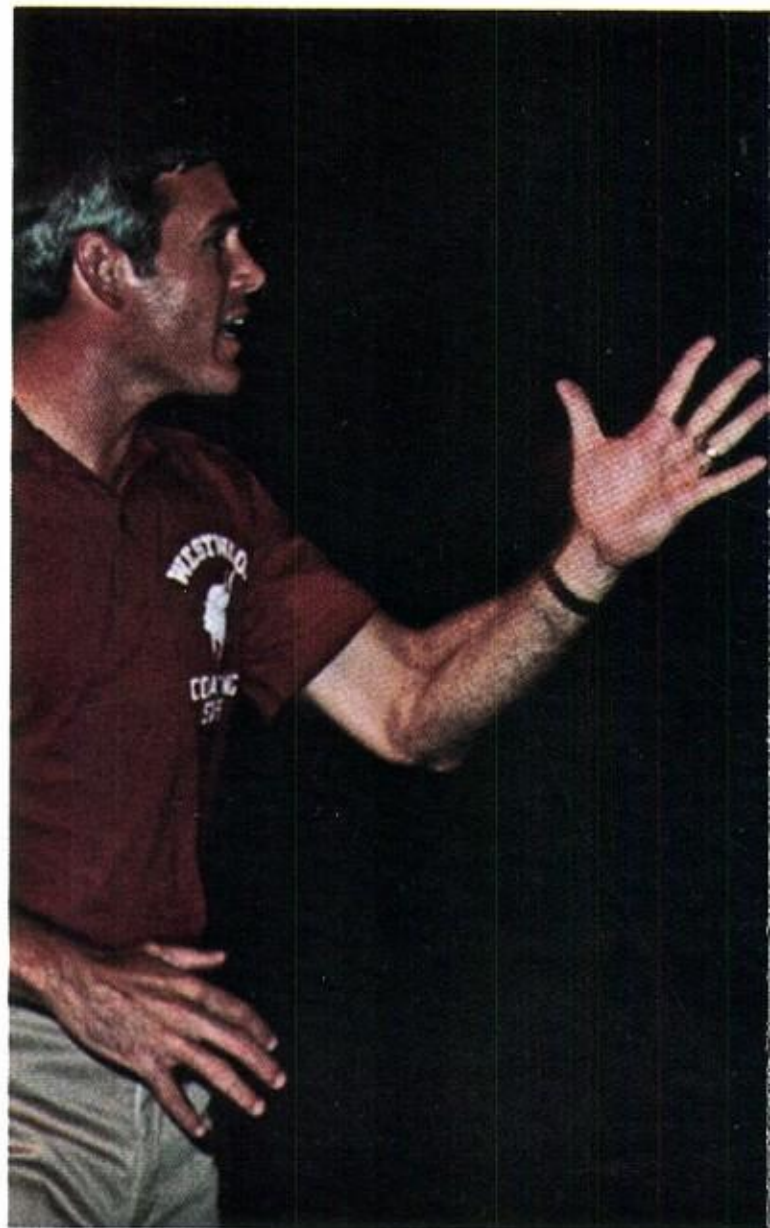

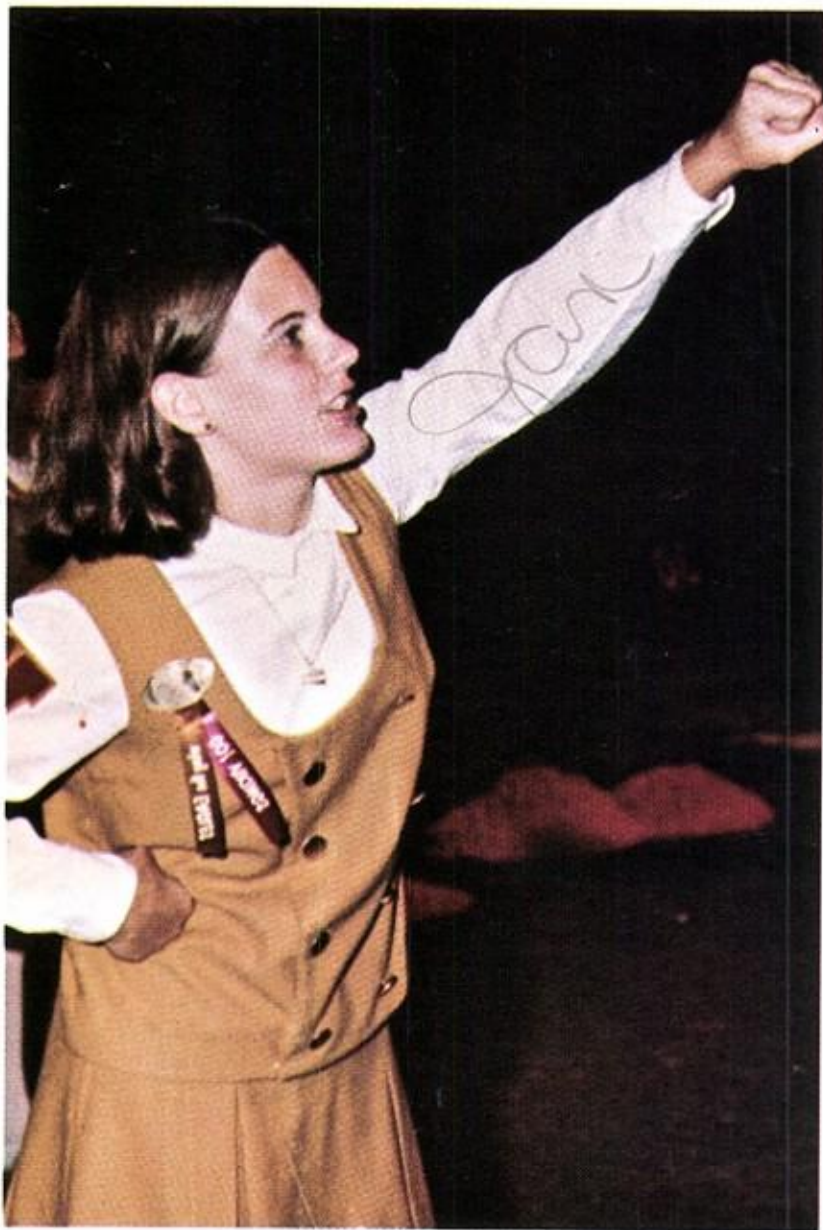

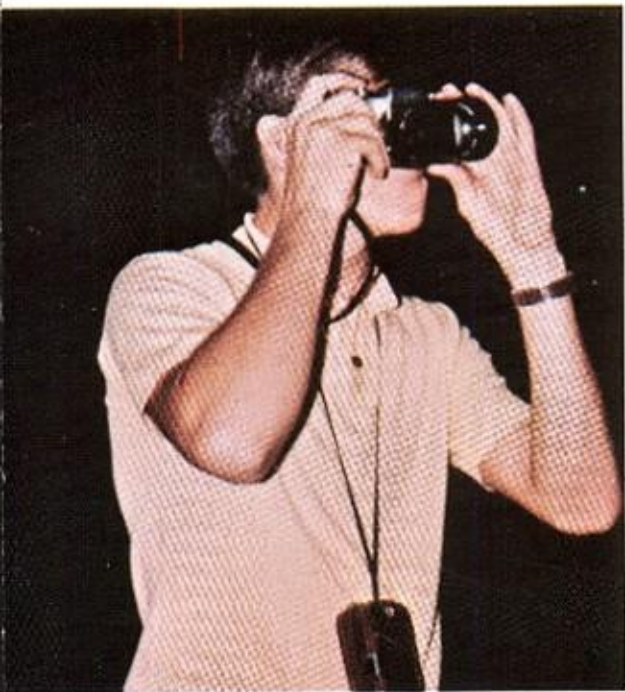

We'd like to know  
 A little bit about you  
 For our files.  
 We'd like to help you learn  
 To help yourself.  
 Look around you. All you see  
 Are sympathetic eyes.  
 Stroll around the grounds  
 Until you feel at home.

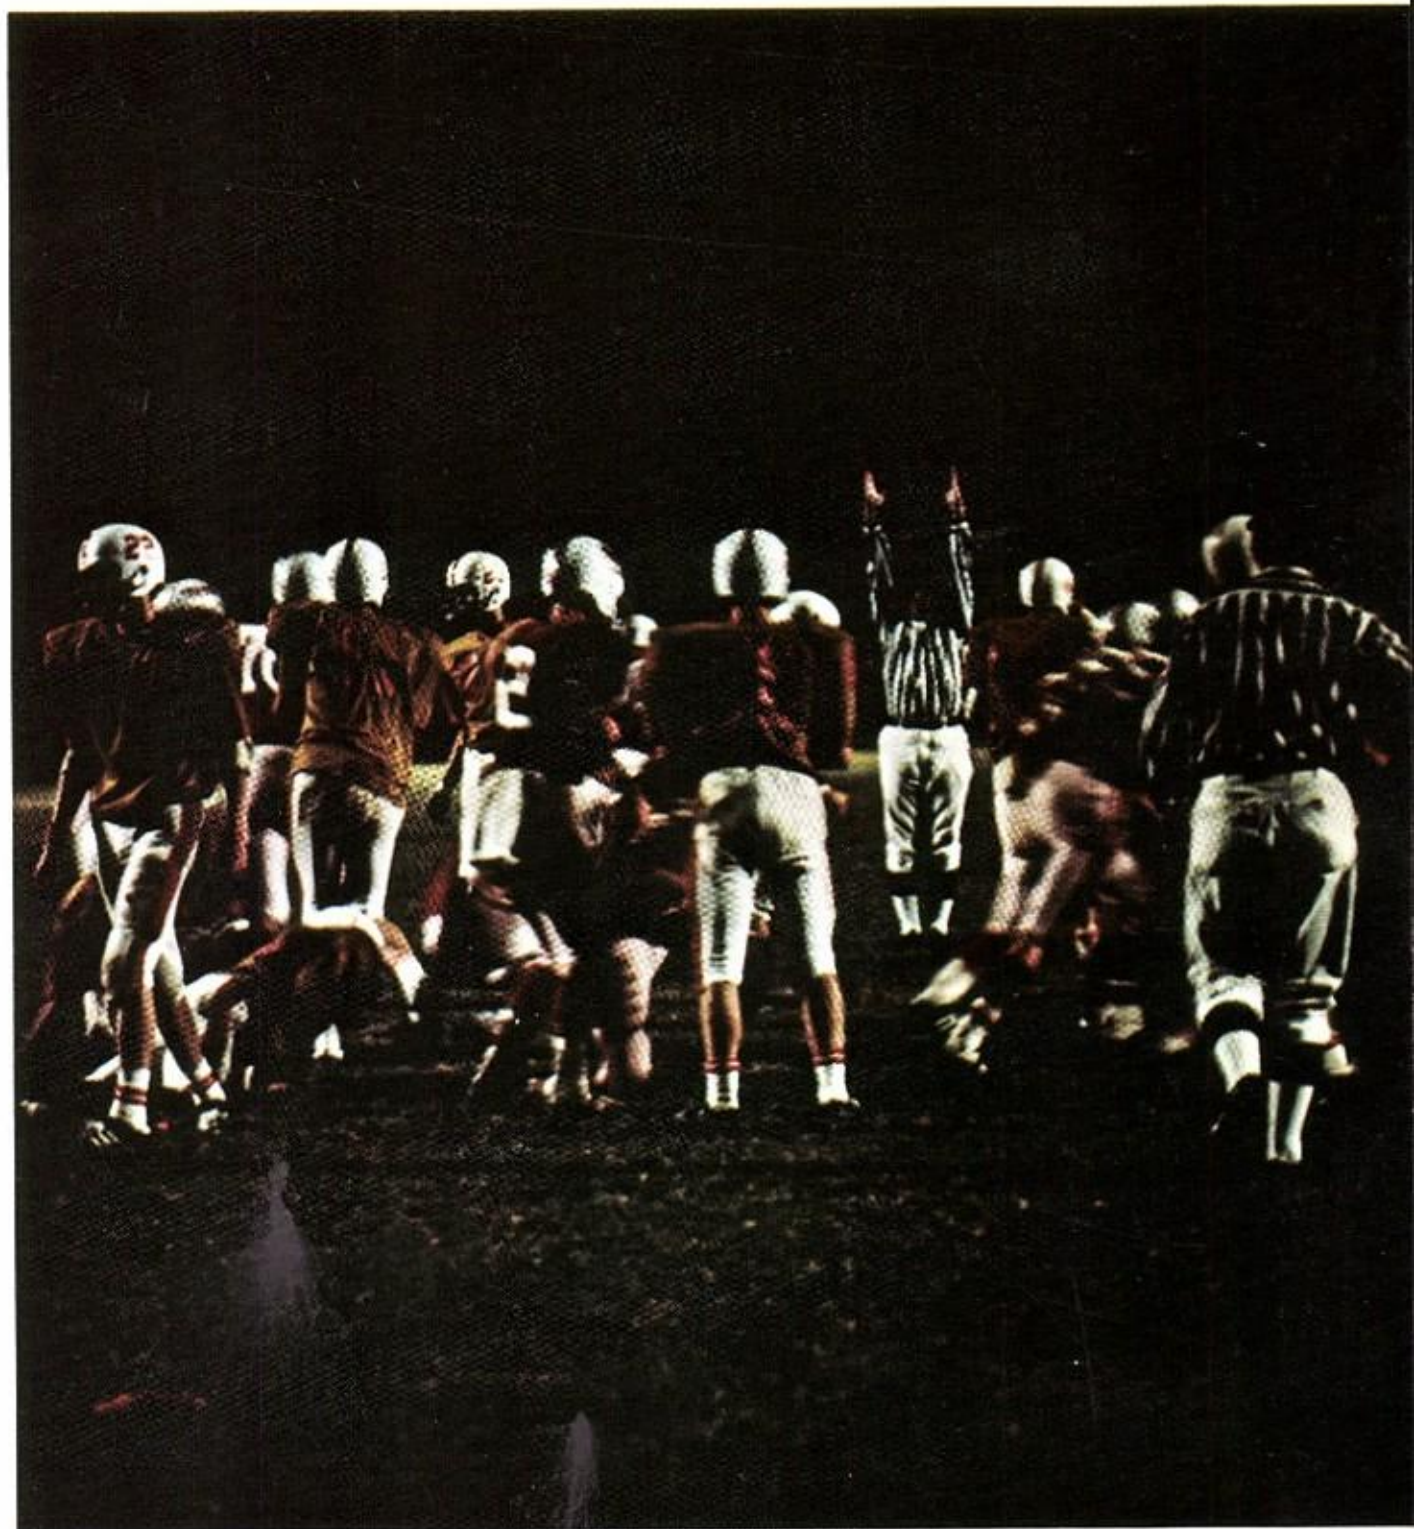

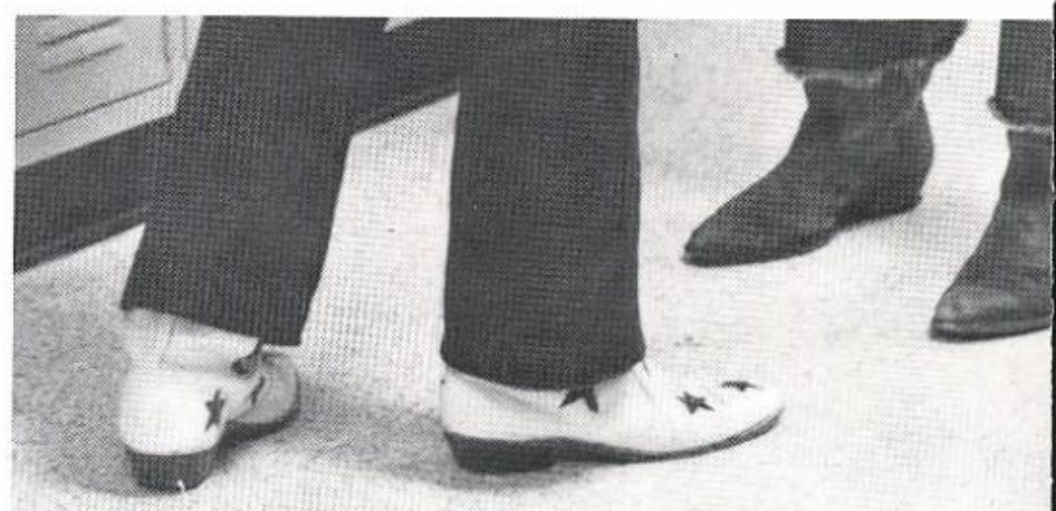

Practiced novices,  
Struggling confidence,  
The determination to excel:  
First varsity . . . never before, never again.

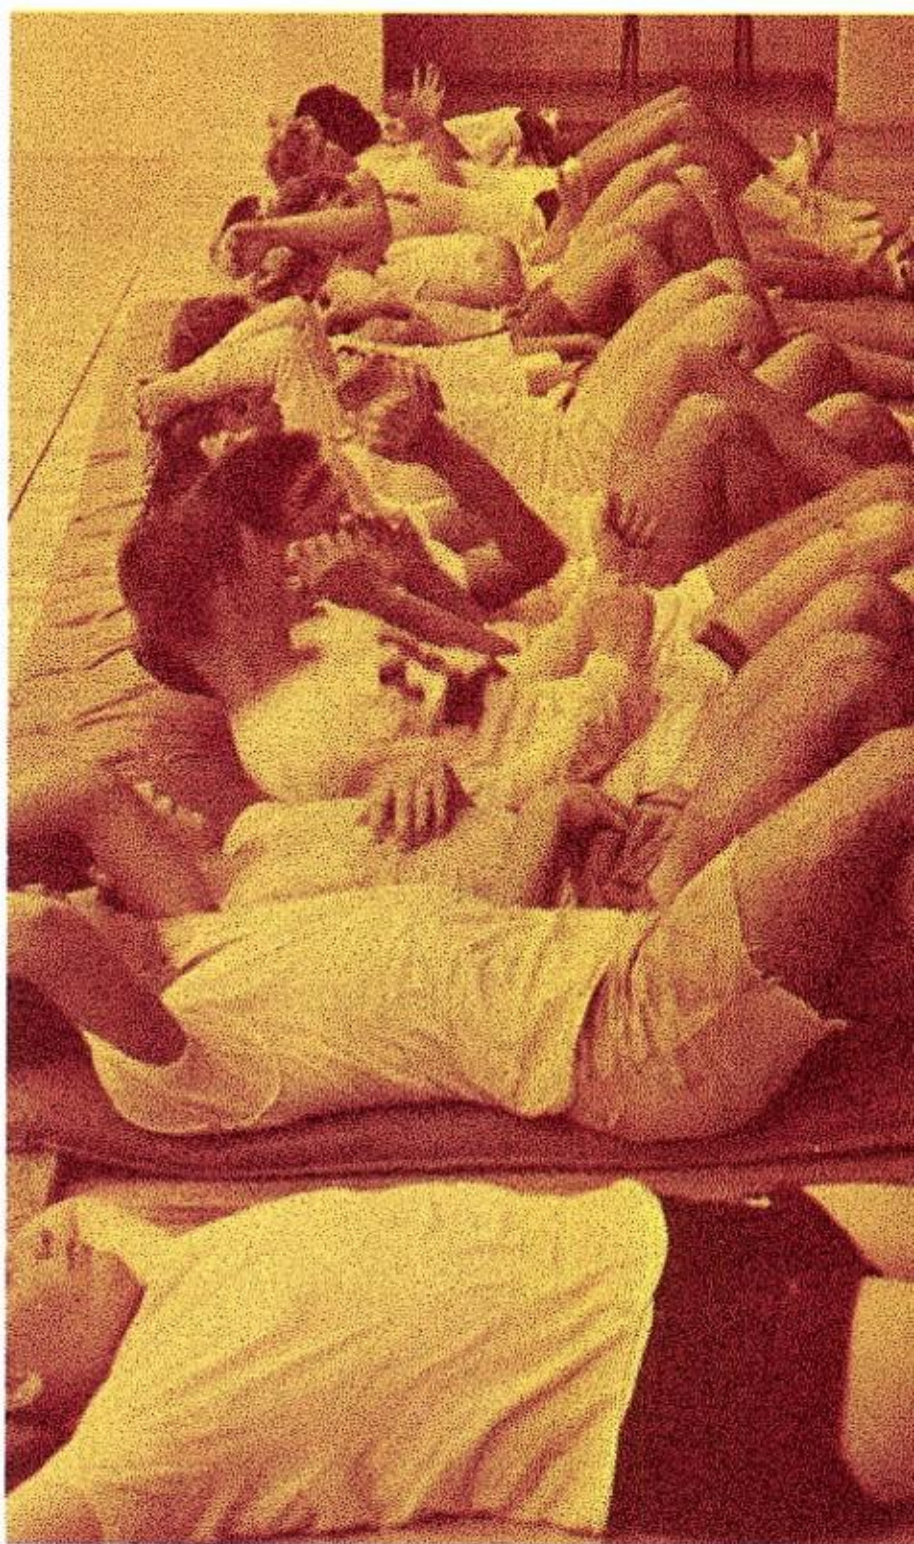

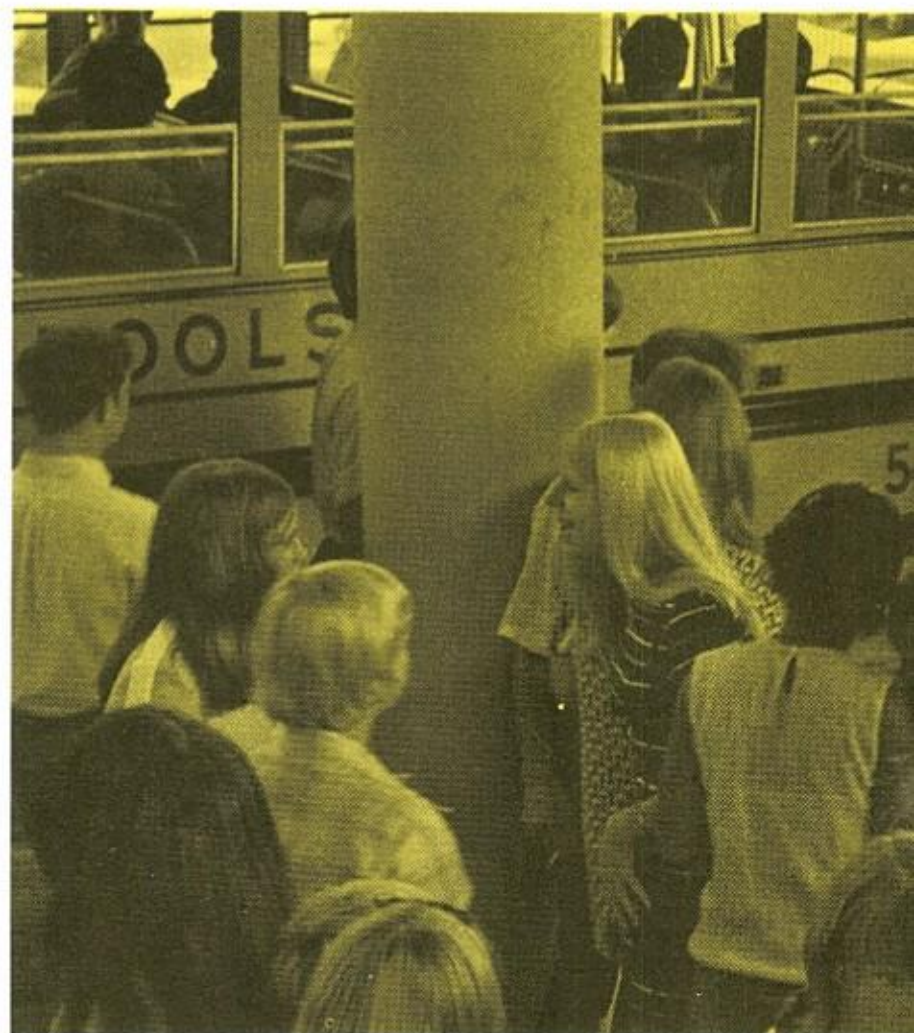

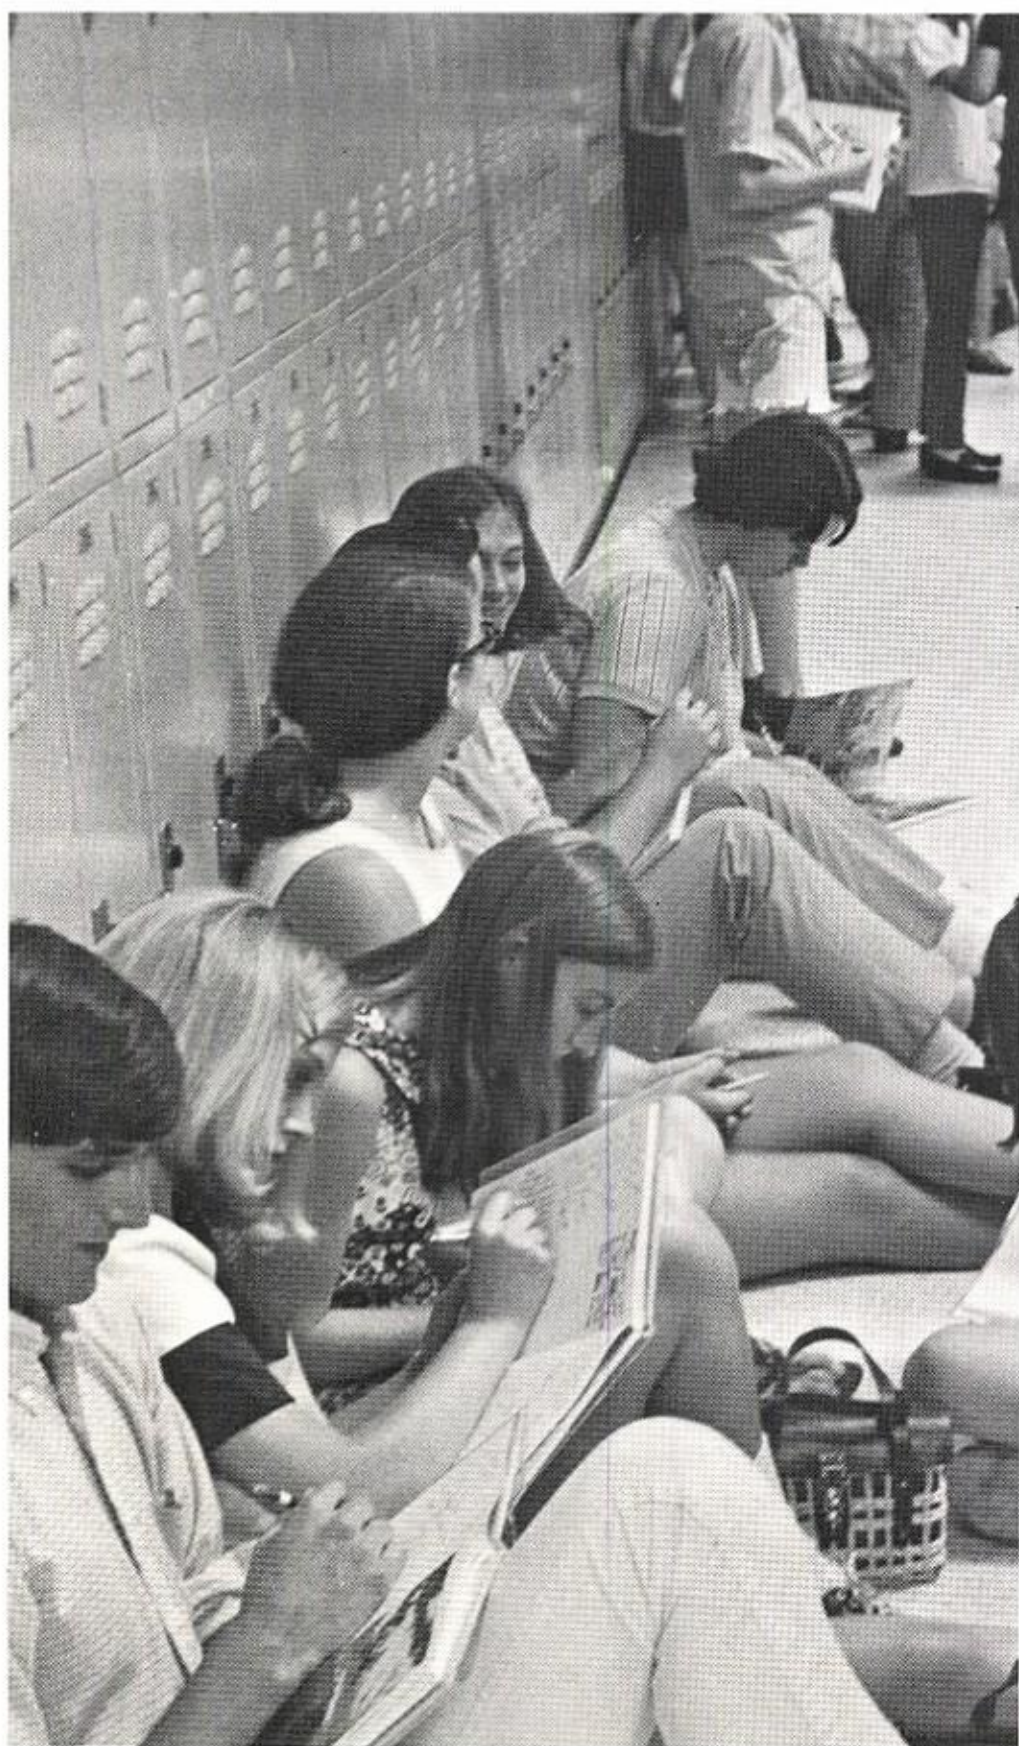

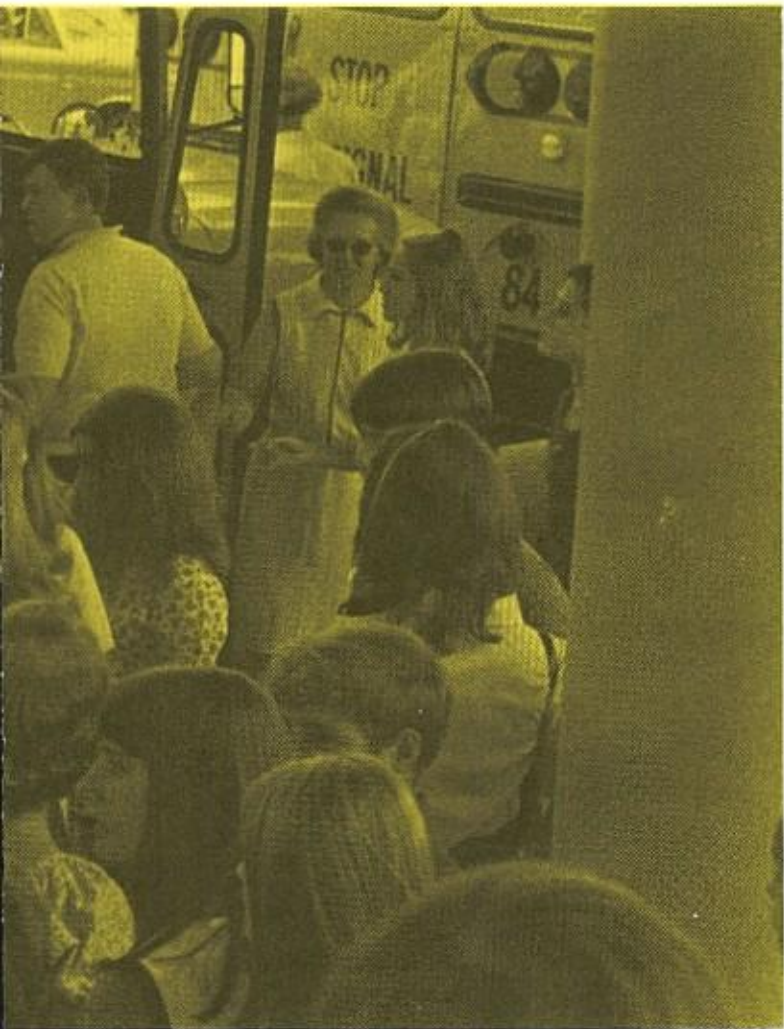

What's the difference being different  
When it's difference now that looks alike.  
You say I'm changing, I'm not sure that's wrong.  
Today it may seem natural to be sitting here discussing it;  
Tomorrow just as natural to be gone.

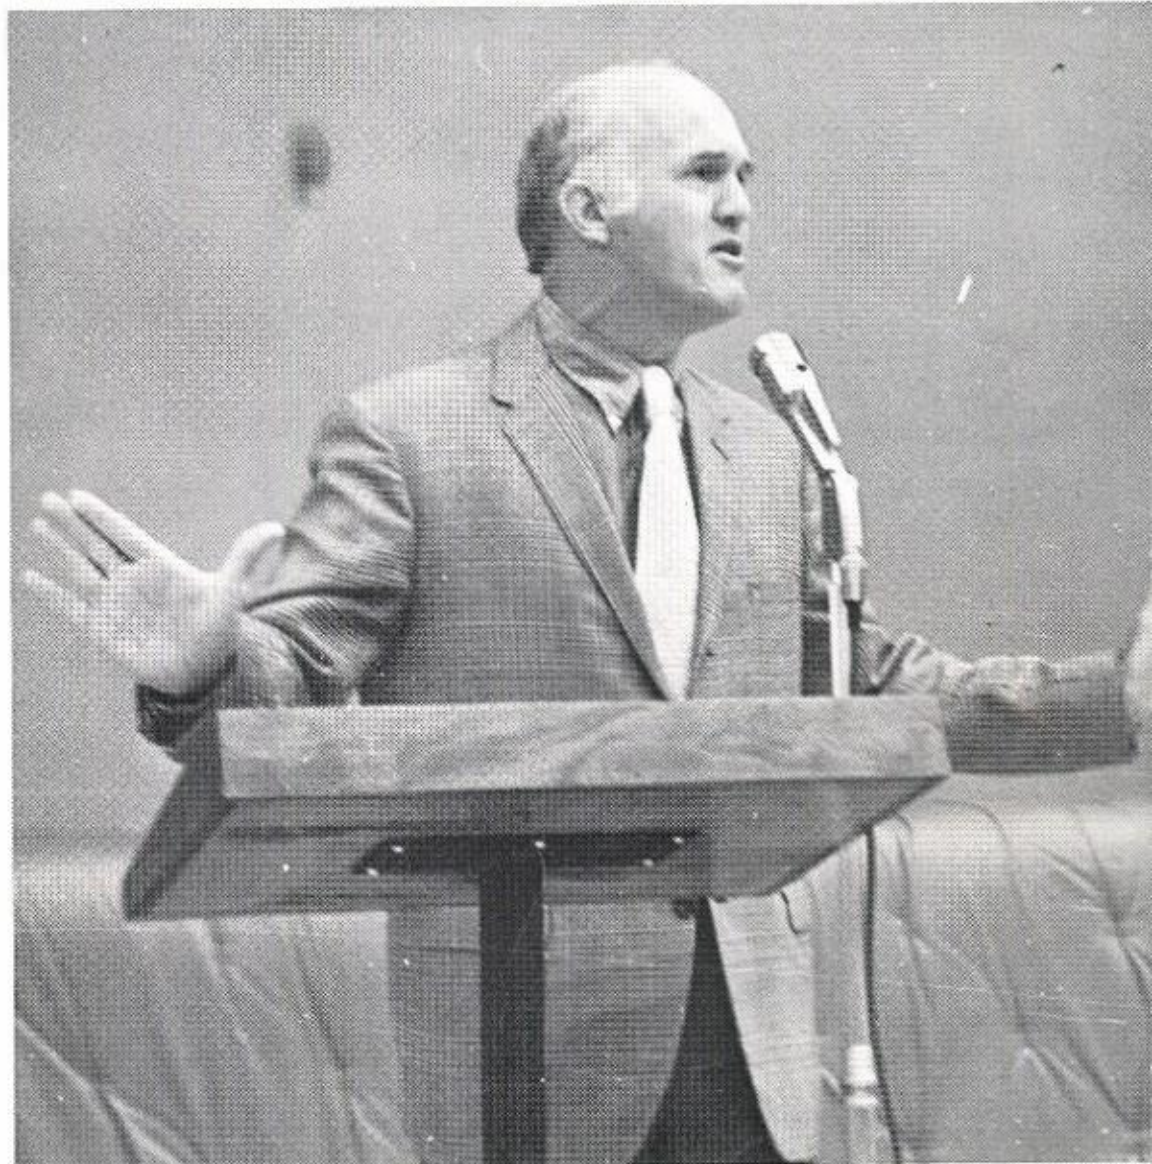

I could be alone  
and still have  
something.  
You could do fine  
on your own.  
All by myself  
I could still be  
some-one,  
But why must I do  
it alone?

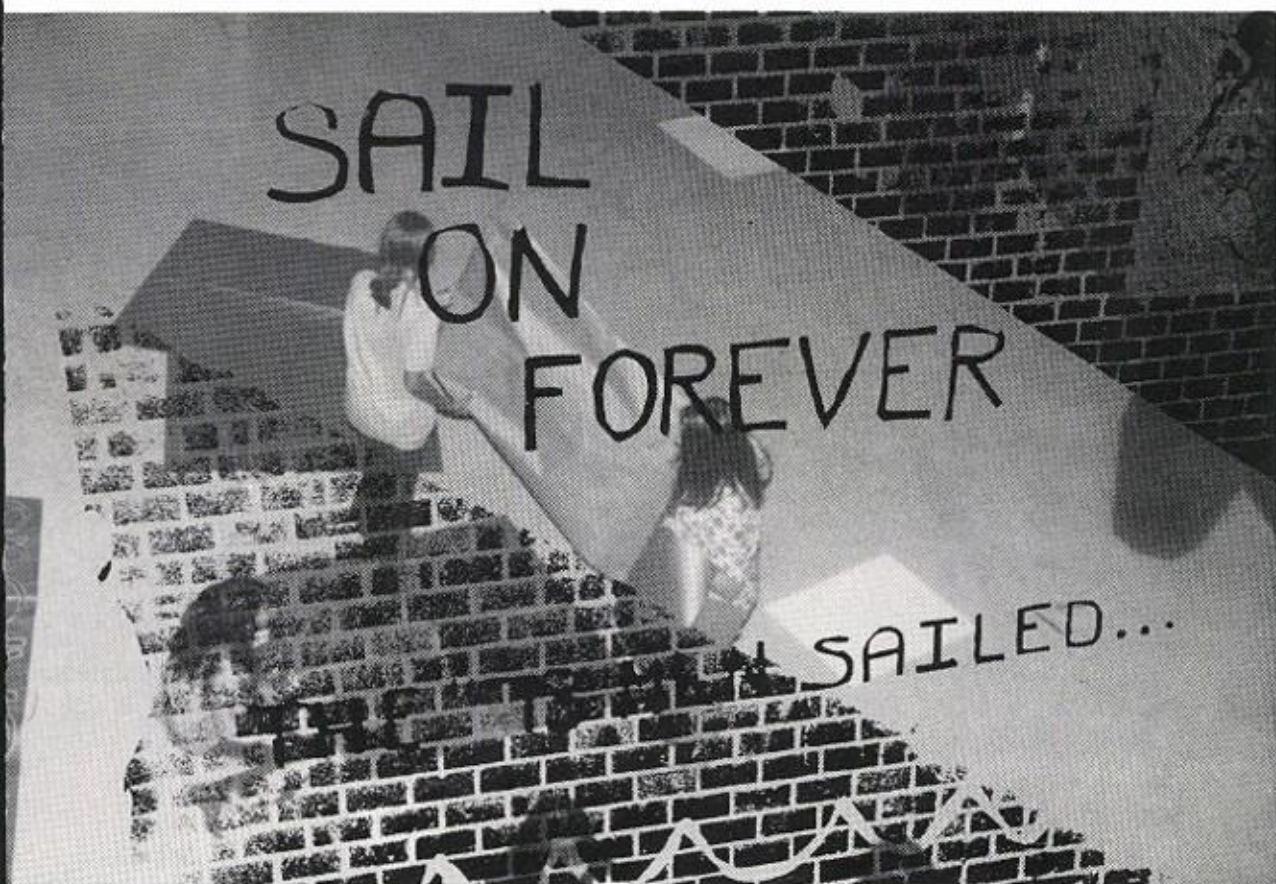

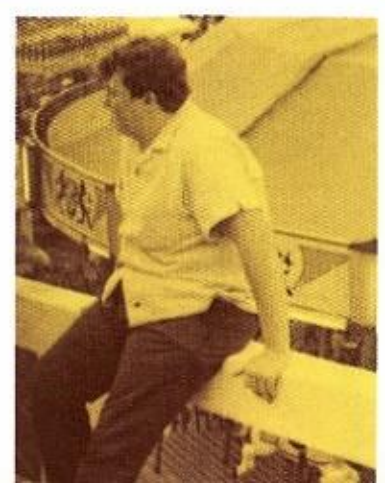

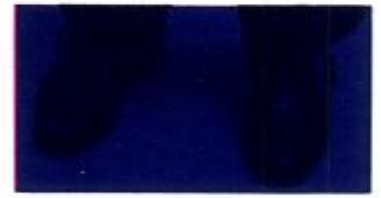

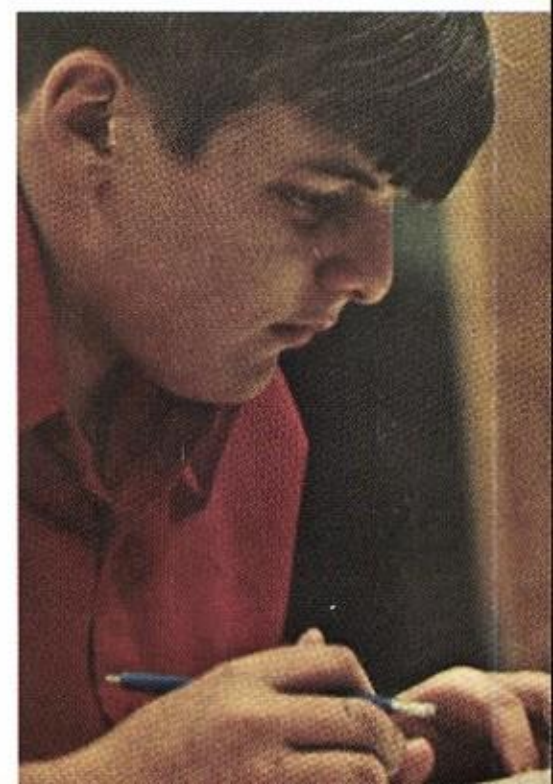

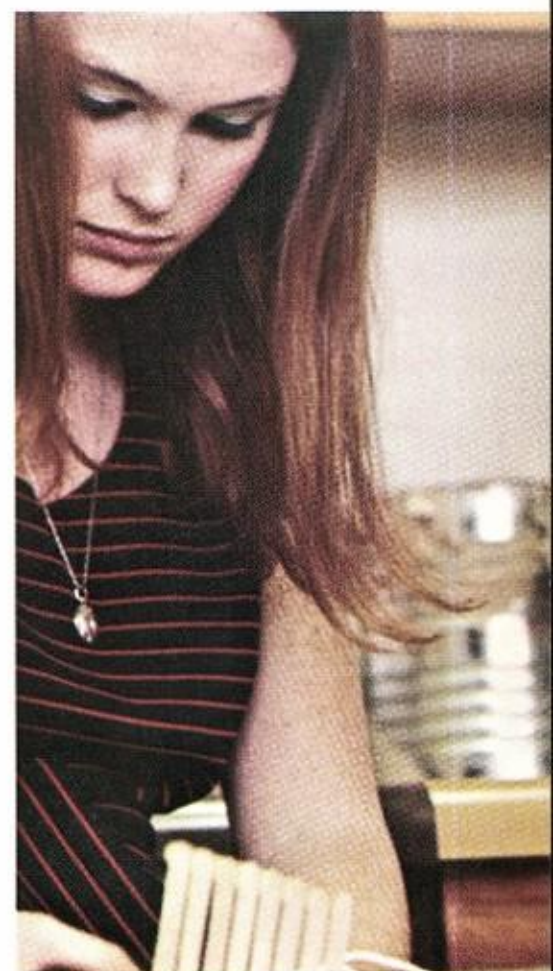

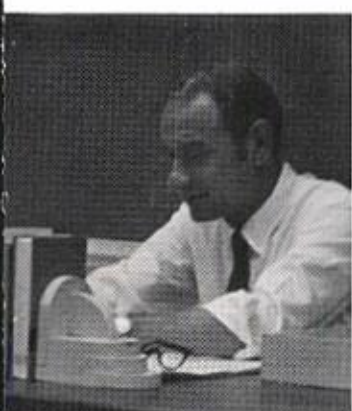

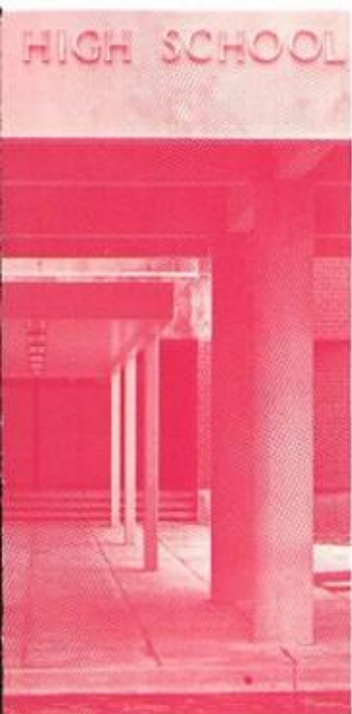

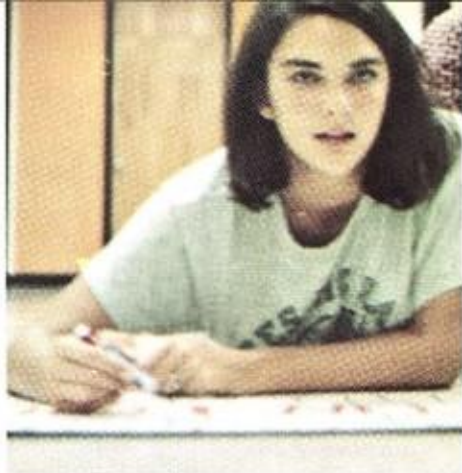

Hurried hours blending  
 Confused happiness;  
 Red and gold searching  
 Crepe paper, paint;  
 Empty space filling  
 Winning all, yet one.

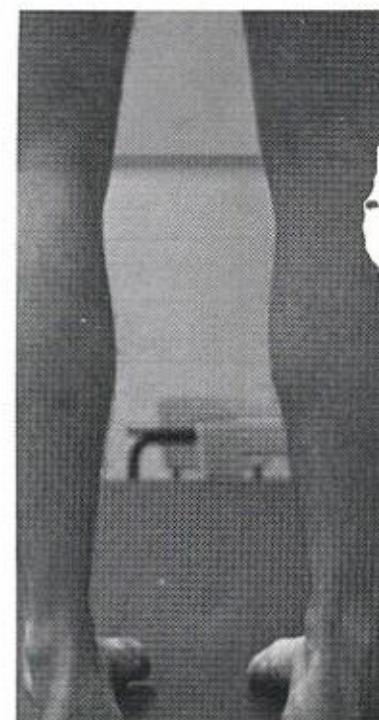

I'd rather be a sparrow  
than a snail . . .  
Yes I would . . .

I'd rather be a hammer  
than a nail . . .  
If I could . . .

I surely would.

#### VISITING SCHOOLS

## Weight-Lifting 'Crusaders' Here

A team of weight lifters, full time staff member of Campus Crusade for Christ, are visiting area high schools, college and universities, demonstrating their skills, joking with student and sharing their faith in Christ.

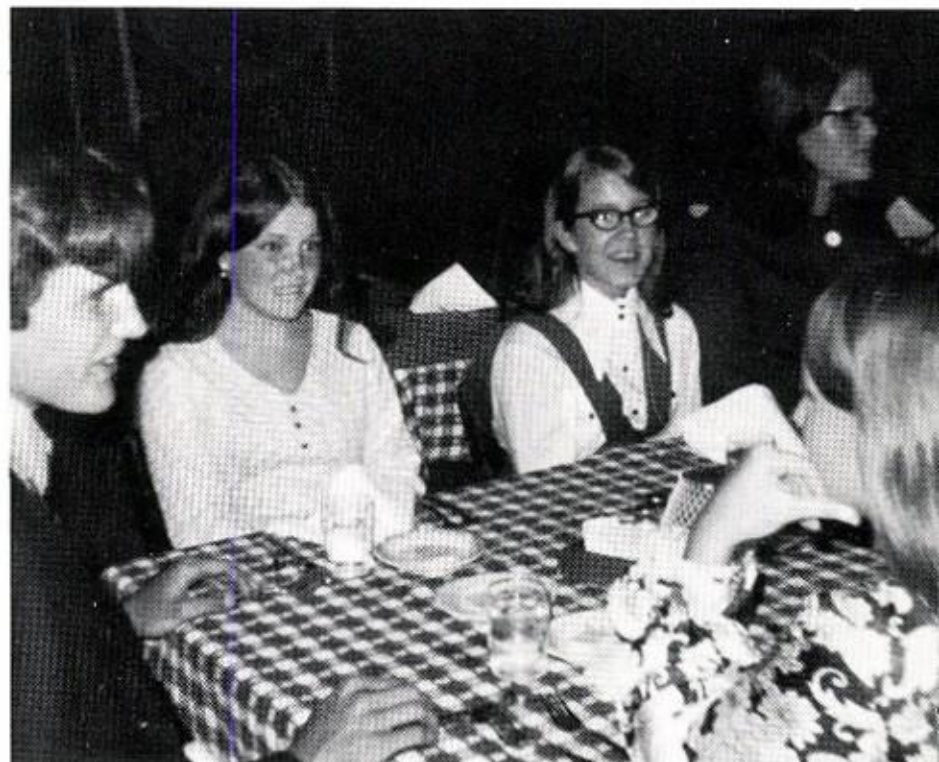

Starting with bake sales and skits on spirit and no-smoking, then determining dramatic talents in Summer Workshops, debuting in the Hill Billie's Christmas Carol — more fun than work and a success at that, the VARANGIAN has opened a new area for talent at Westwood. Being nervous, gaining confidence, learning from the G.S.U. Players . . . planning a three-act comedy for spring.

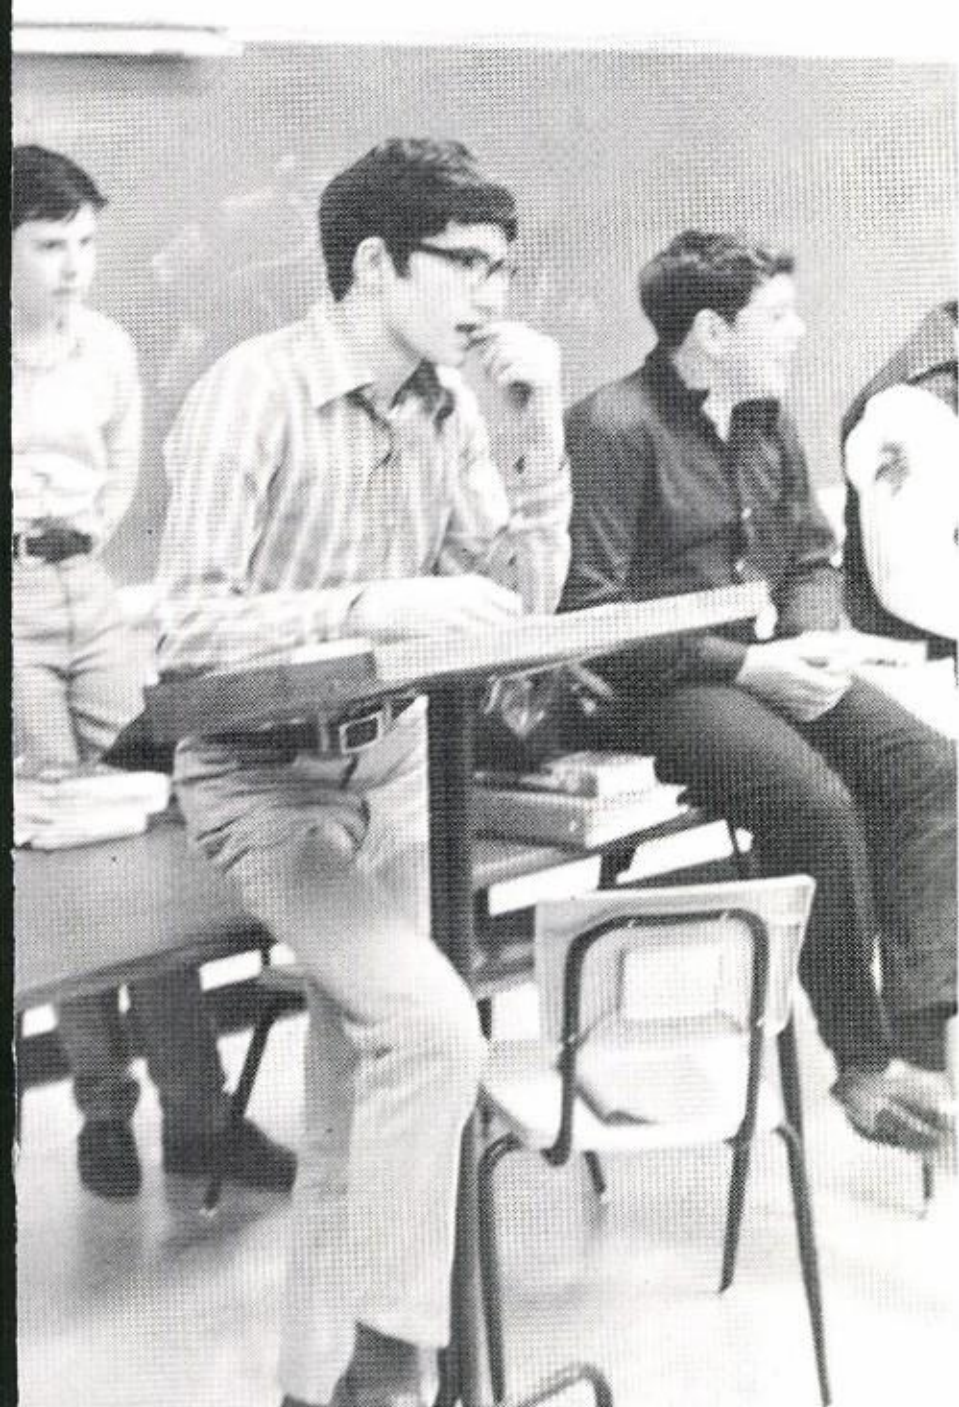

Do your dentures slip and slide? Do your feet ache?  
Do you need a friend?  
Buy a Finda Viking. The  
**FRENCH CLUB** has produced Westwood's second annual student directory . . . once again the club has ventured to Emile's . . . de Poulet au vin?

**Westwood LATIN CLUB . . .**  
**students interested in learn-**  
**ing more than Italia est non**  
**insula about the language and**  
**customs of ancient Rome . . .**  
**trip to Lenox Square to see**  
**Julius Caesar re-enacted.**

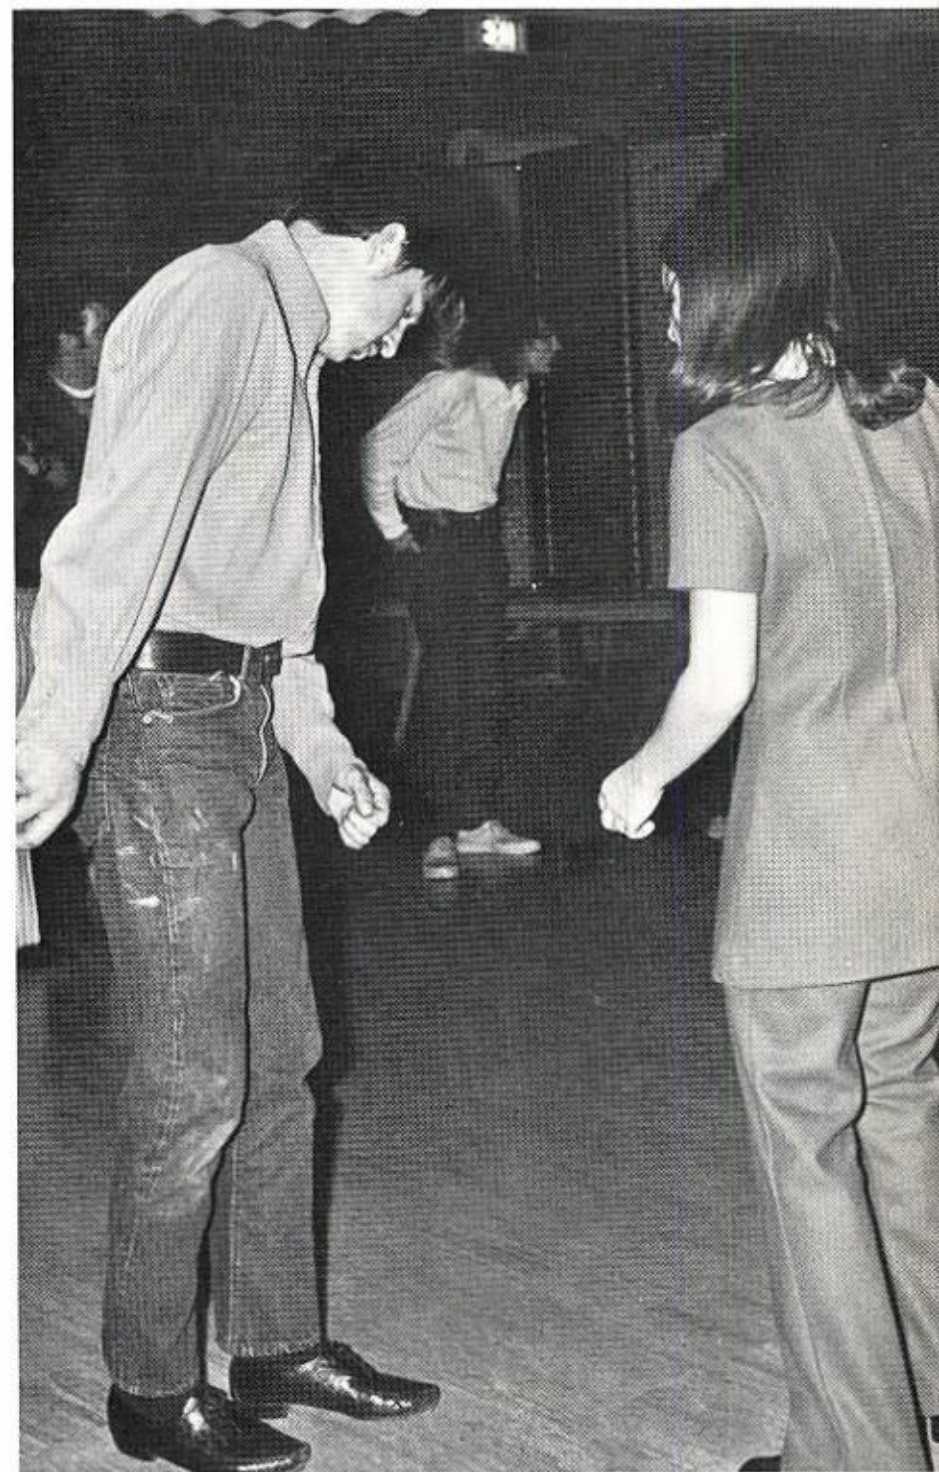

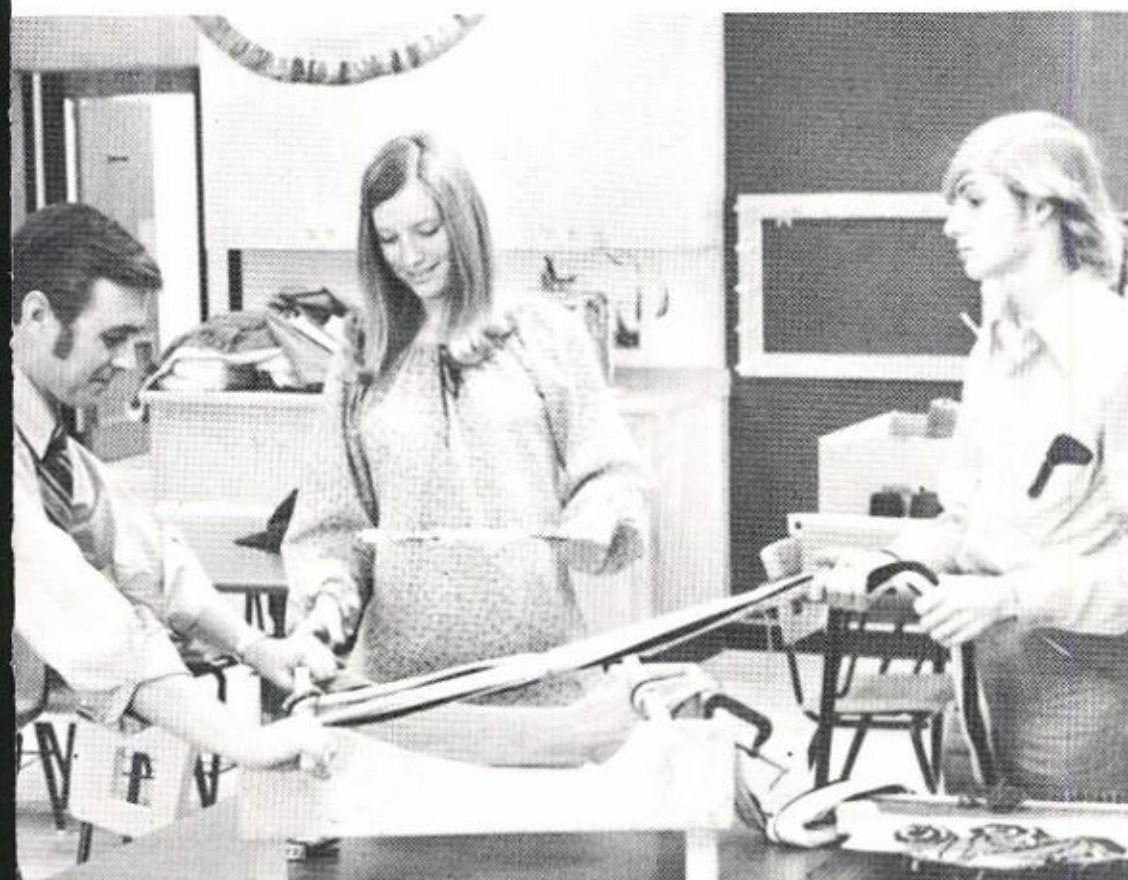

The SPANISH CLUB has journeyed to Su Casa, a Spanish restaurant complete with the strumming guitars, sombreros, and ponchos for the true taste of Spain . . . La comida es bueno . . . the Spanish club and classes, not being able to settle for just Spain, brought the Spanish touch to Westwood at Christmas in the form of a traditional piñata — followed by the traditional scramble for candy.

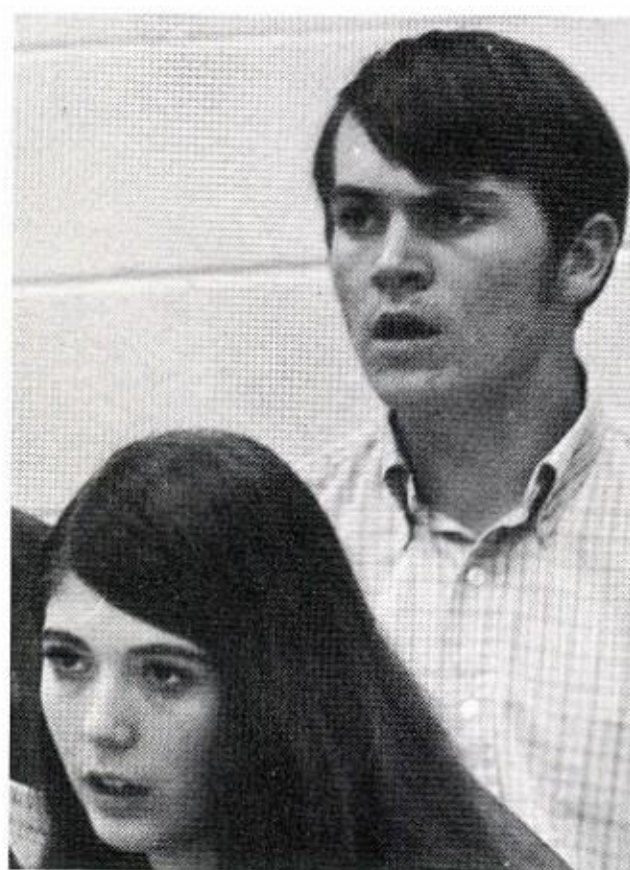

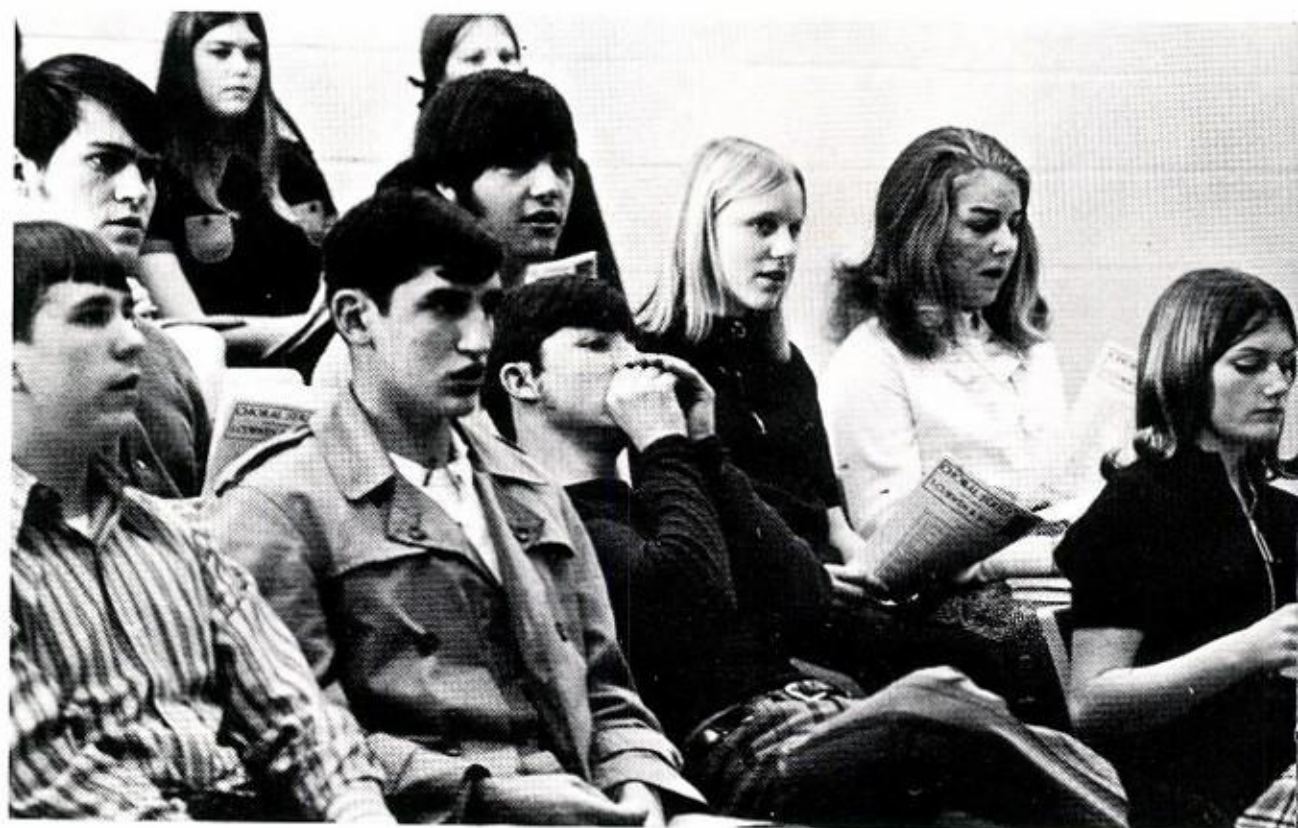

ART CLUB . . . not only hanging pictures in the cafeteria or adding a splash of color to yellow walls. Expanding to other dimensions: trash cans to replace the use of the hall floor . . . a Fine Arts Festival complete with displays of weaving, sculpture, macrame, and painting . . . sponsoring a Christmas Dance . . . working with art classes to create a red and gold welcome to the Home of the Vikings.

MIXED CHORUS

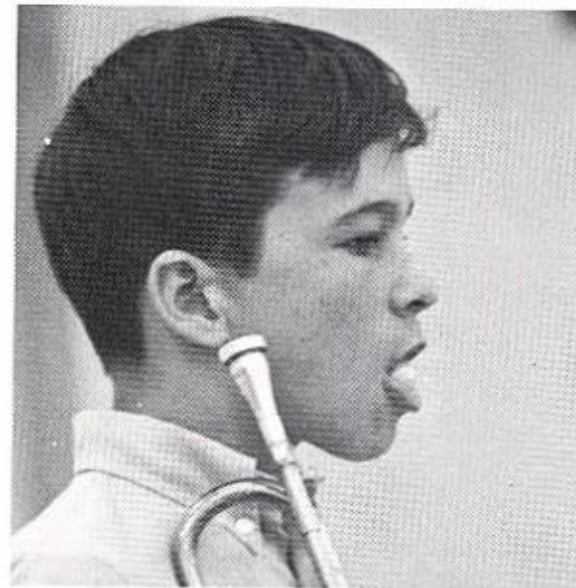

What would you do if I sang out of tune?  
Would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song  
I'll try not to sing out of key.

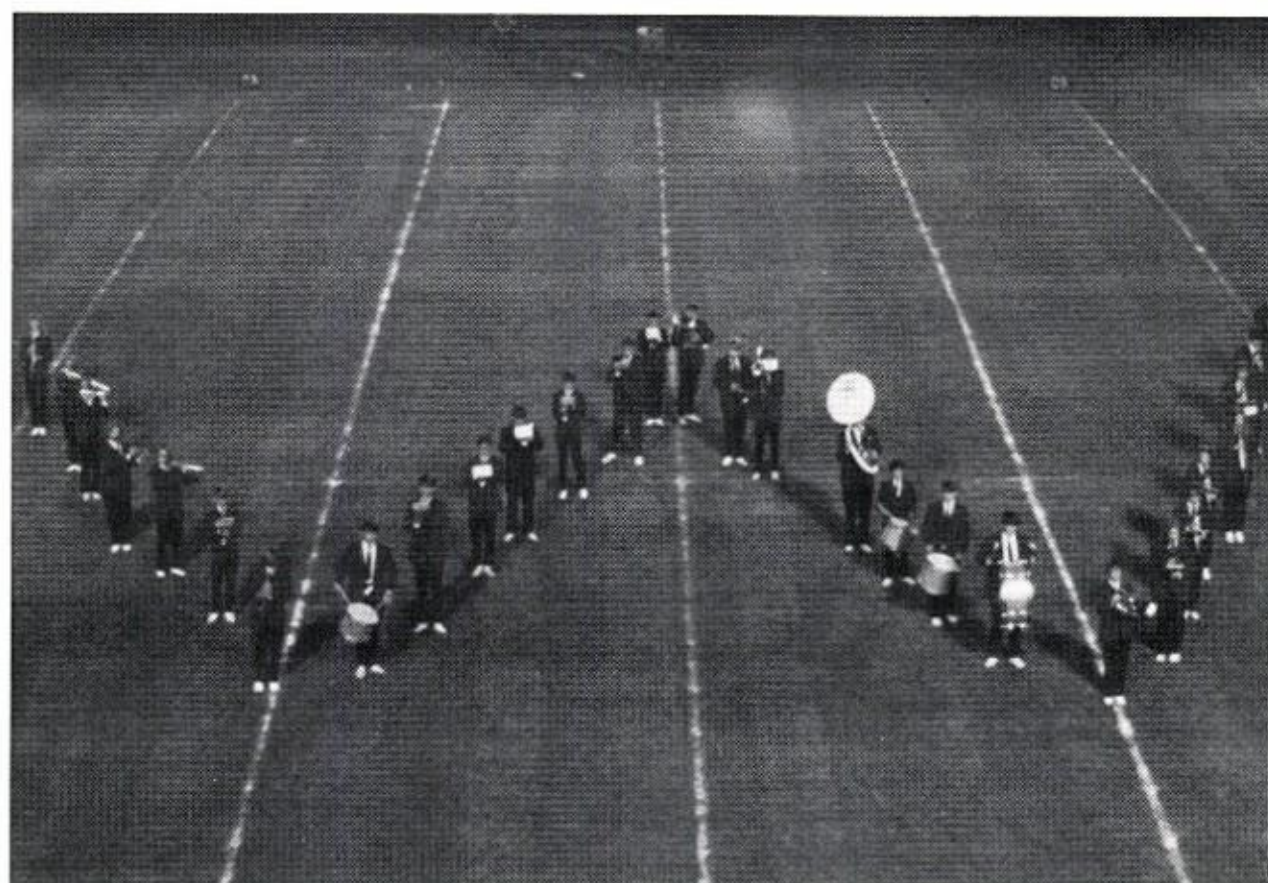

TREBLE CHORALE

Sporting new uniforms and new steps, the marching BAND overshadowed its concert ability until Christmas. Then the formal CONCERT given in polished harmony with the CHORUS and TREBLE CHORALE marked a new height of musical achievement and appreciation for Westwood and the surrounding community. A tribute to Mr. Van Hall, now in the armed services. A challenge to Mrs. Bedwell, now holding the baton.

State Design - Mr. Kenneth Giles, Art Department

F.B.L.A. means making an economic film-loop! It also means typing the school lunch menu every Friday, giving a coffee in March for the faculty, and entering state contests. Sandy, Gilda, and Roxie — Miss F.B.L.A. contestants.

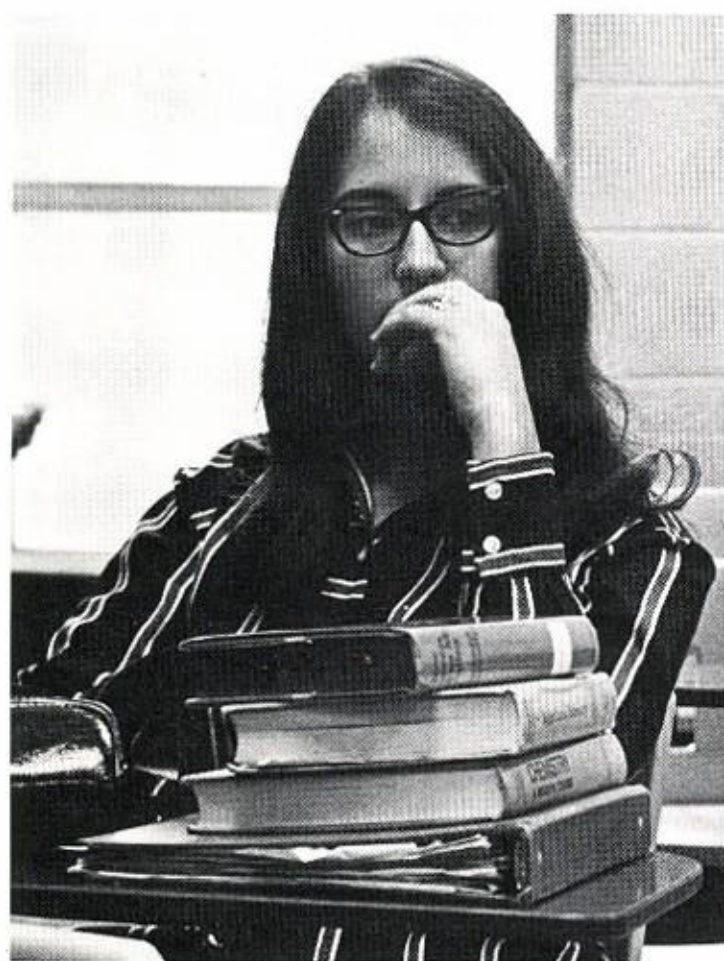

**F.H.A.:** A fashion show, a cake bake, and a Valentine party. Visiting Skyview Rest Home and learning about life today — having fun too!

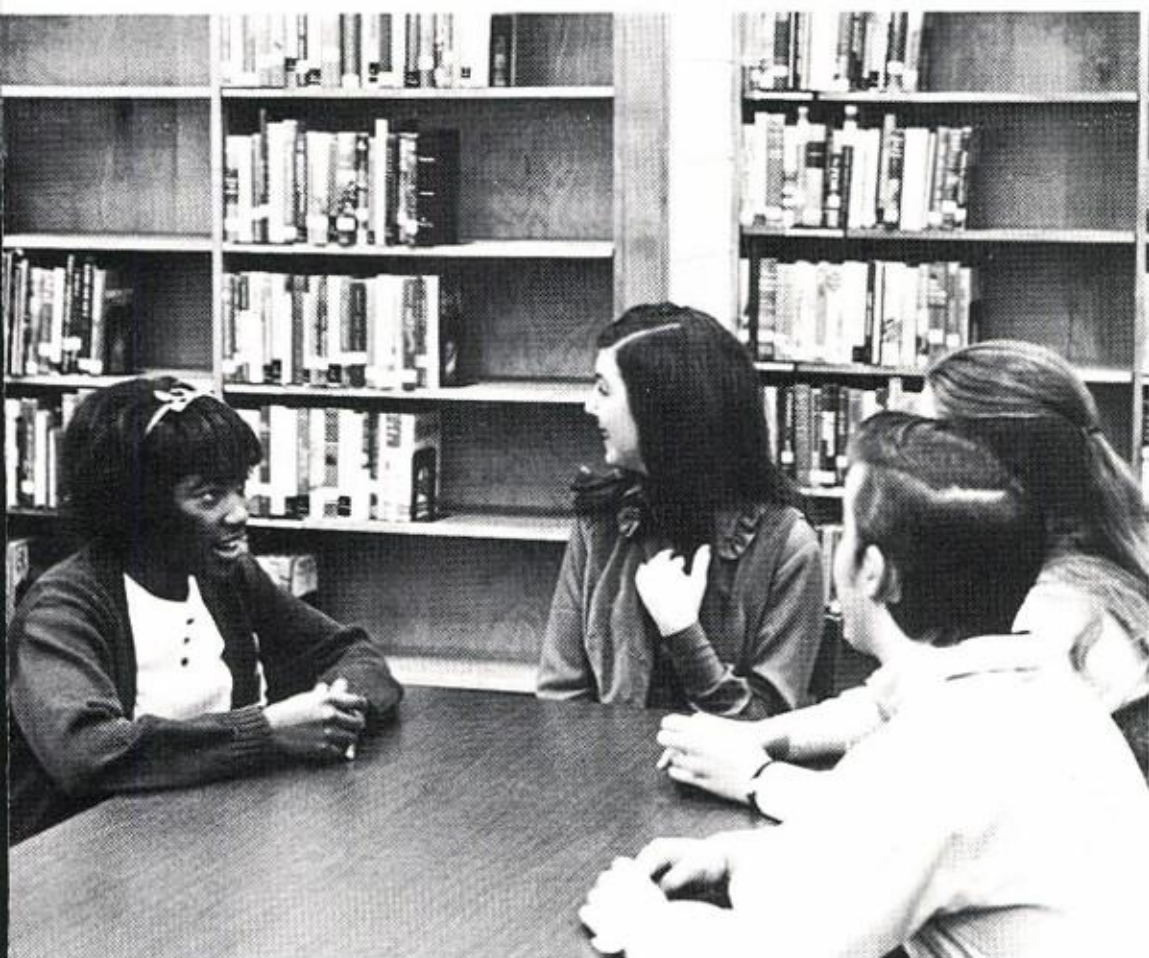

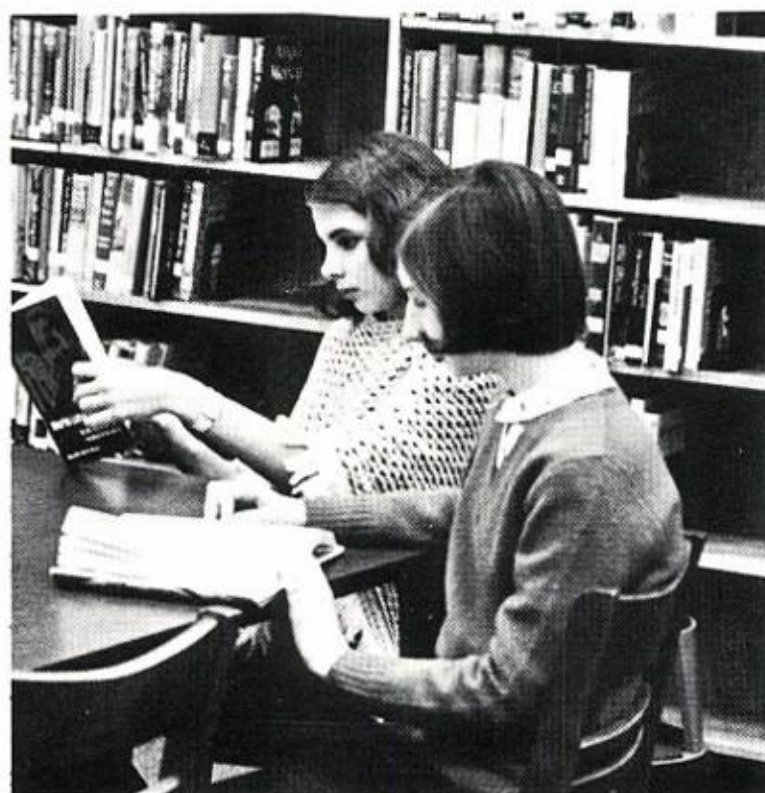

The F.T.A. has opened a full year of activities by boosting National Education Week. Helping lost parents find their way at open House and giving a tea for the faculty interspersed a "Mr. Pretty Legs and Miss Muscles" contest, planning a talent show, and the Teacher of the Year election: Congratulations, Mr. Coyle.

The LIBRARY CLUB serves the student body: decorating the show case at Christmas, reshelving books year round. With organization and purpose, the Westwood unit is now a member of the state Student Library Association.

Compiling rules and regulations for publication in a student handbook, spilling Coke in the concession stand, supporting MACAD (Metropolitan Atlanta Council on Alcohol and Drugs). "There will be a meeting of all JUNIOR CIVITAN members Tuesday morning at 8:10." Encouraging the student body to send over 400 cards and letters to the North Vietnamese delegates in Paris . . . qualifying for District meetings . . . and, "There goes Vivian with another bunch of fruitcakes.

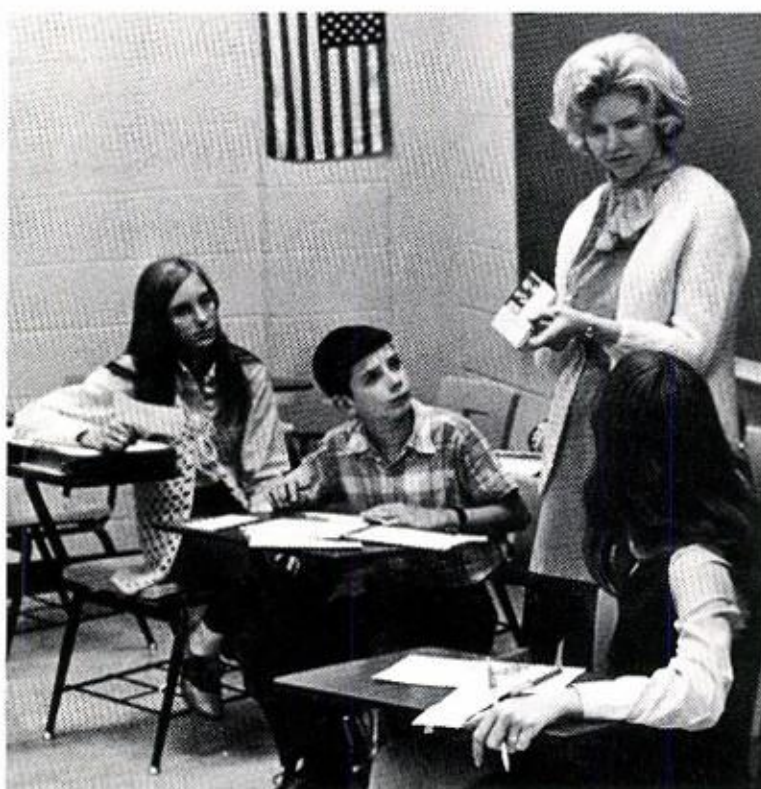

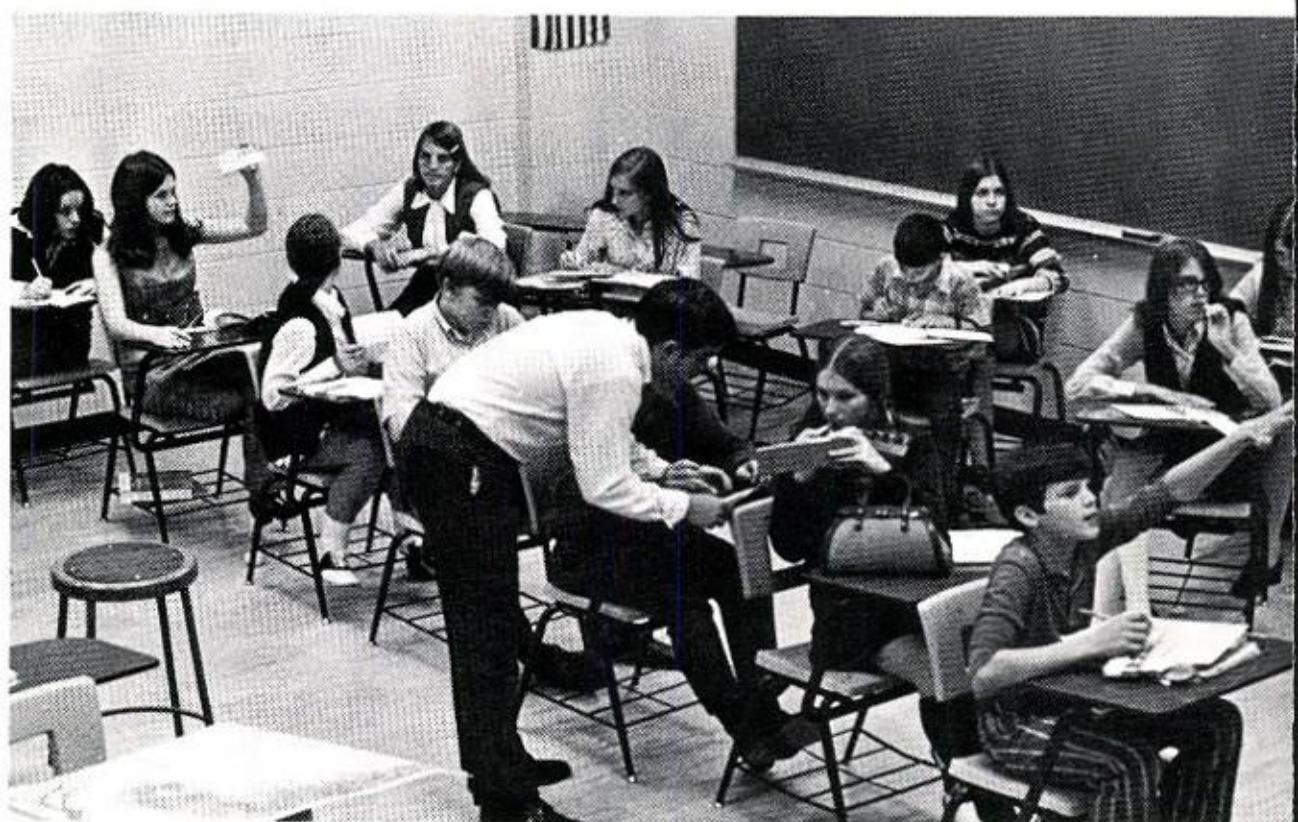

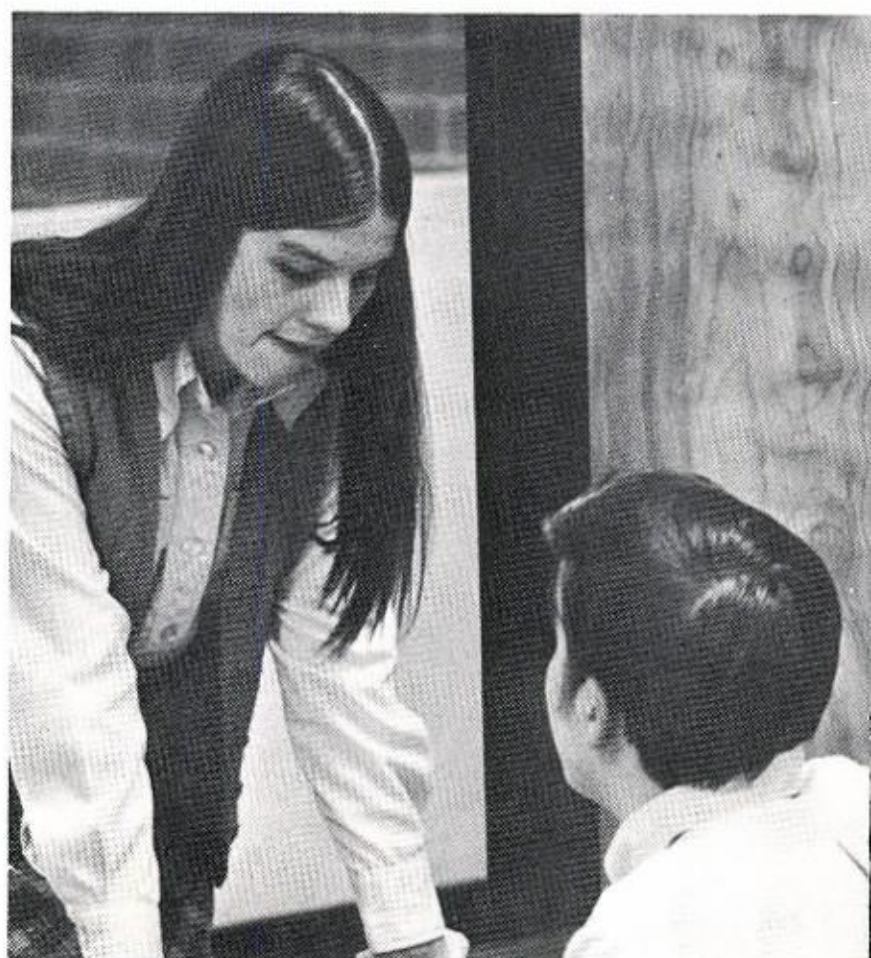

**SCIENCE CLUB** at Westwood means going to Emory University and the Fernbank Science Center and making posters before sponsoring a school wide Emphasis on Ecology week.

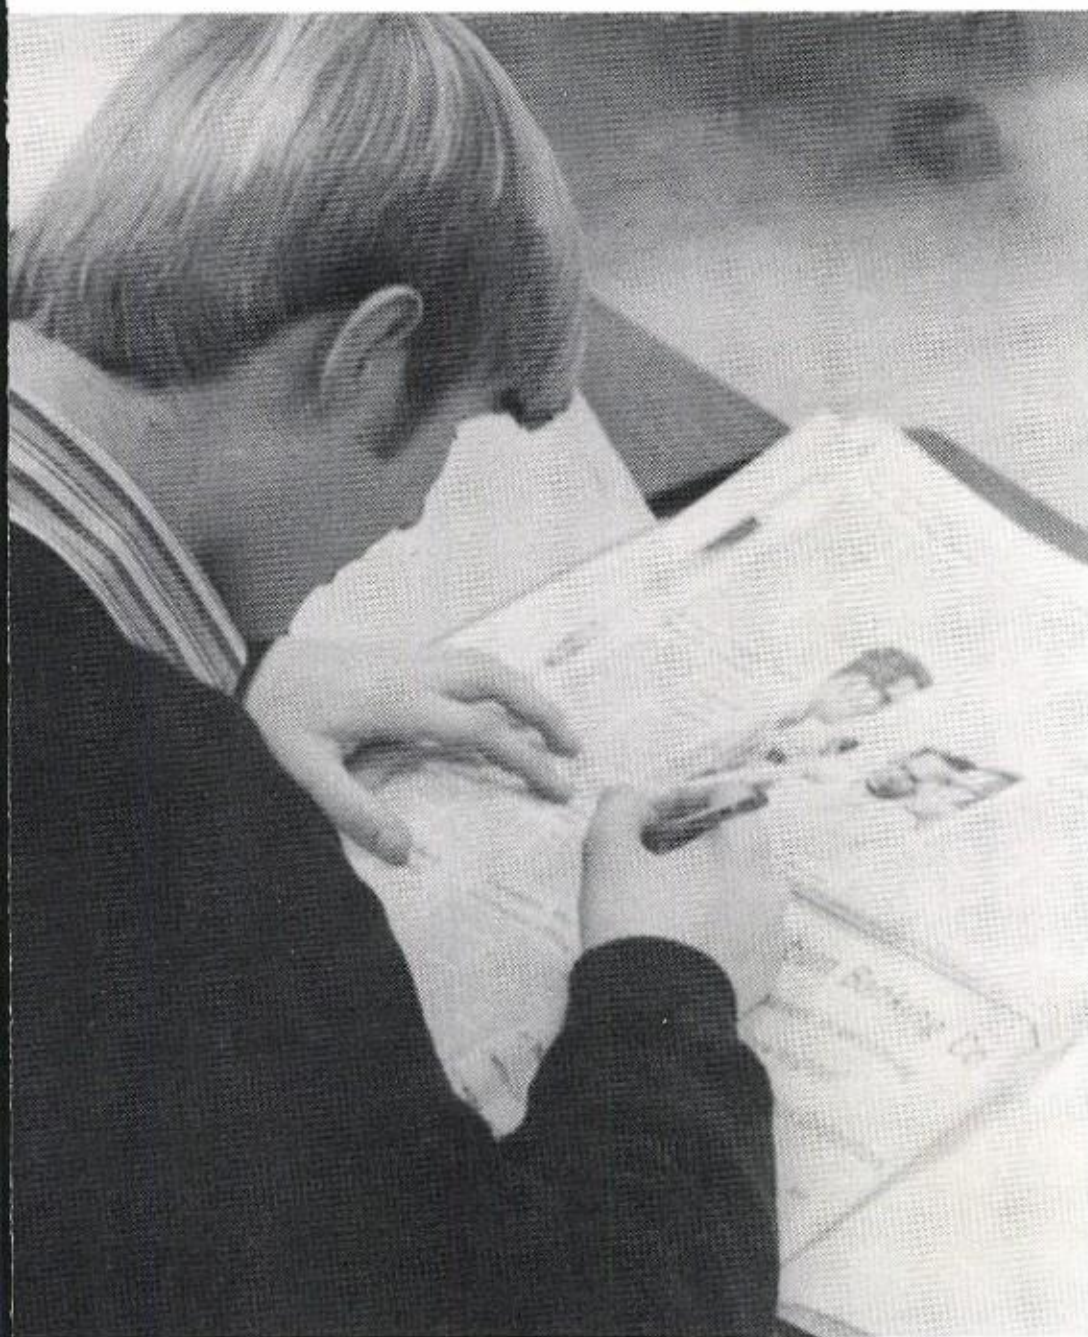

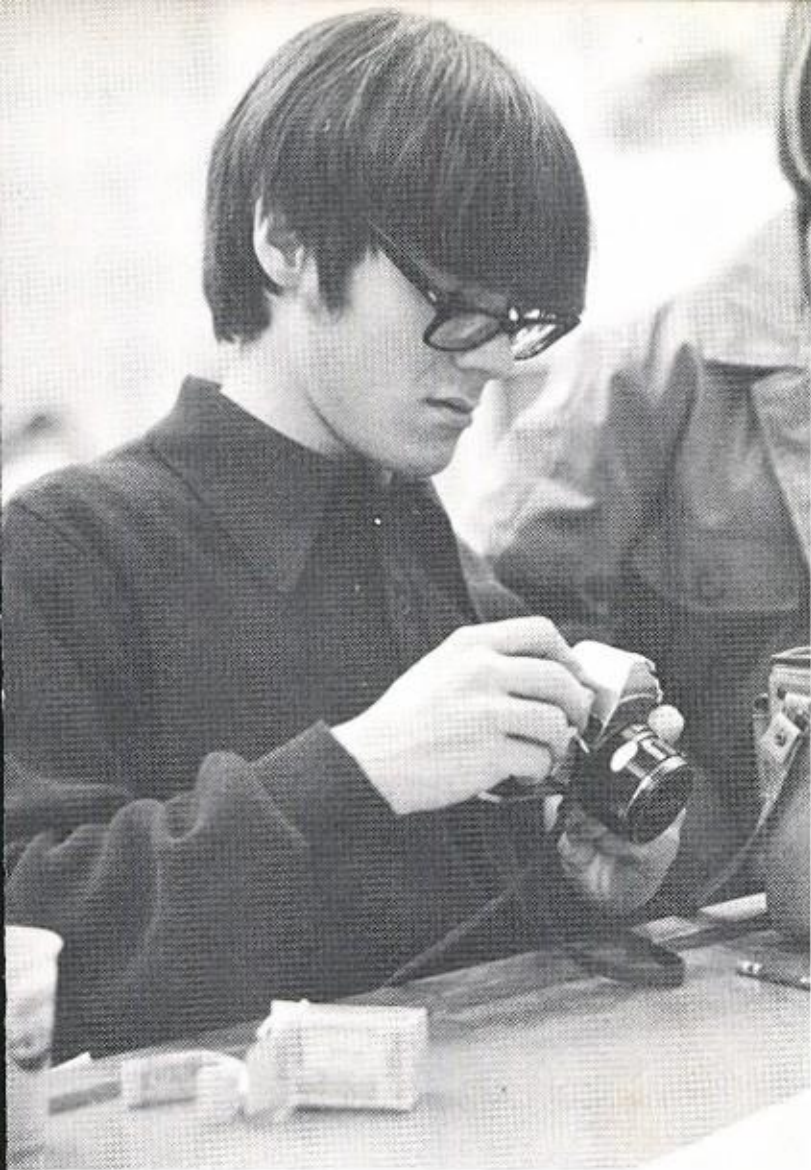

**SAGA REPRESENTATIVES** are a special sort of people — not exactly on the staff but more in the know than the rest of the school. They have helped the staff by selling subscriptions and identifying individual pictures.

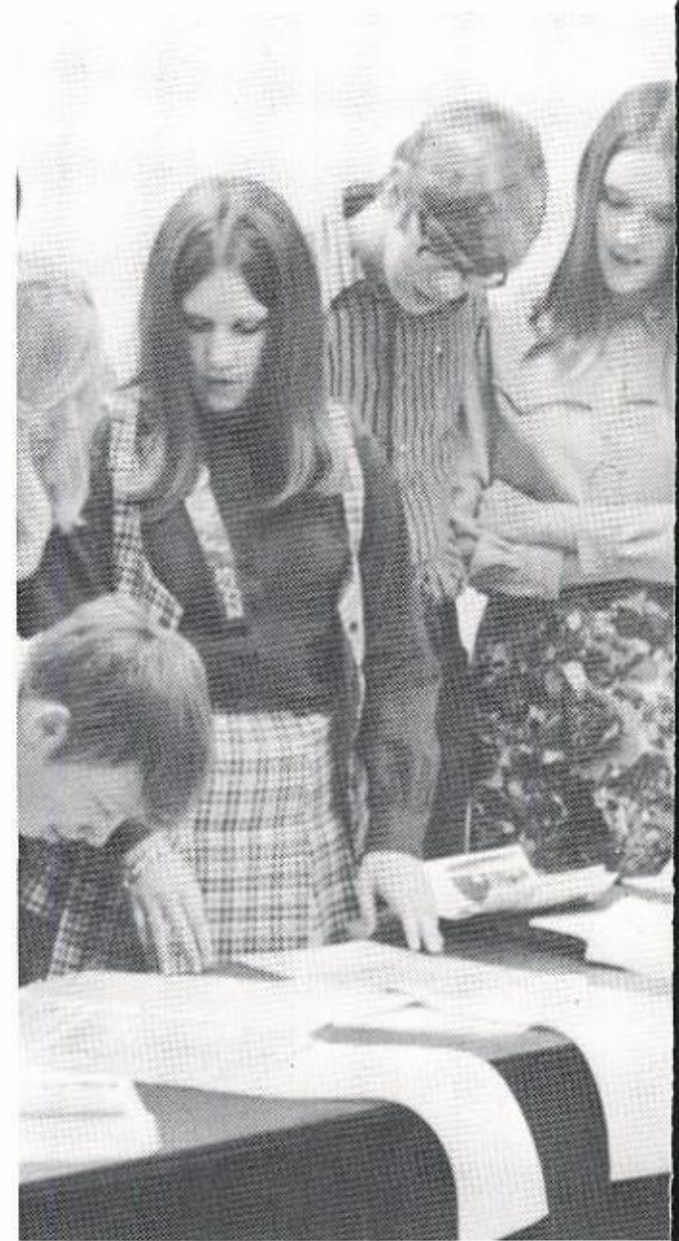

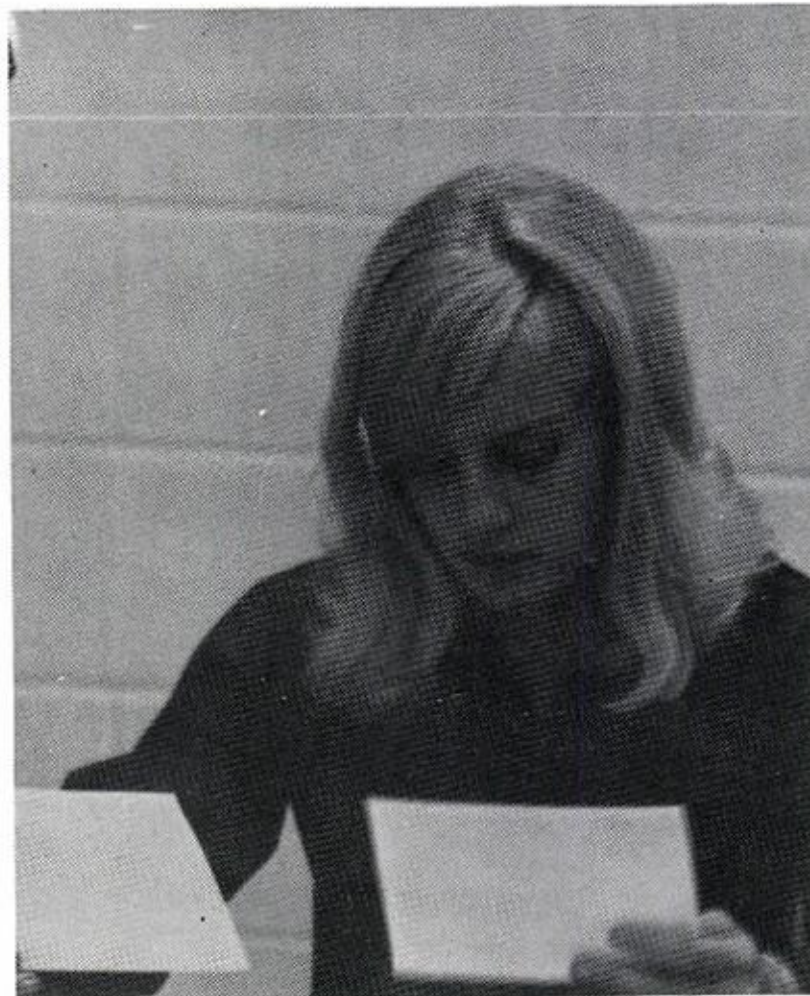

**JOURNALIST:** Mike Kunis as photographer, Vivian Bankston and Mike Barnette as writers for the South Fulton Recorder, Sheryl George as student reporter for the PTA Newsletter. With column and camera they make Westwood come alive.

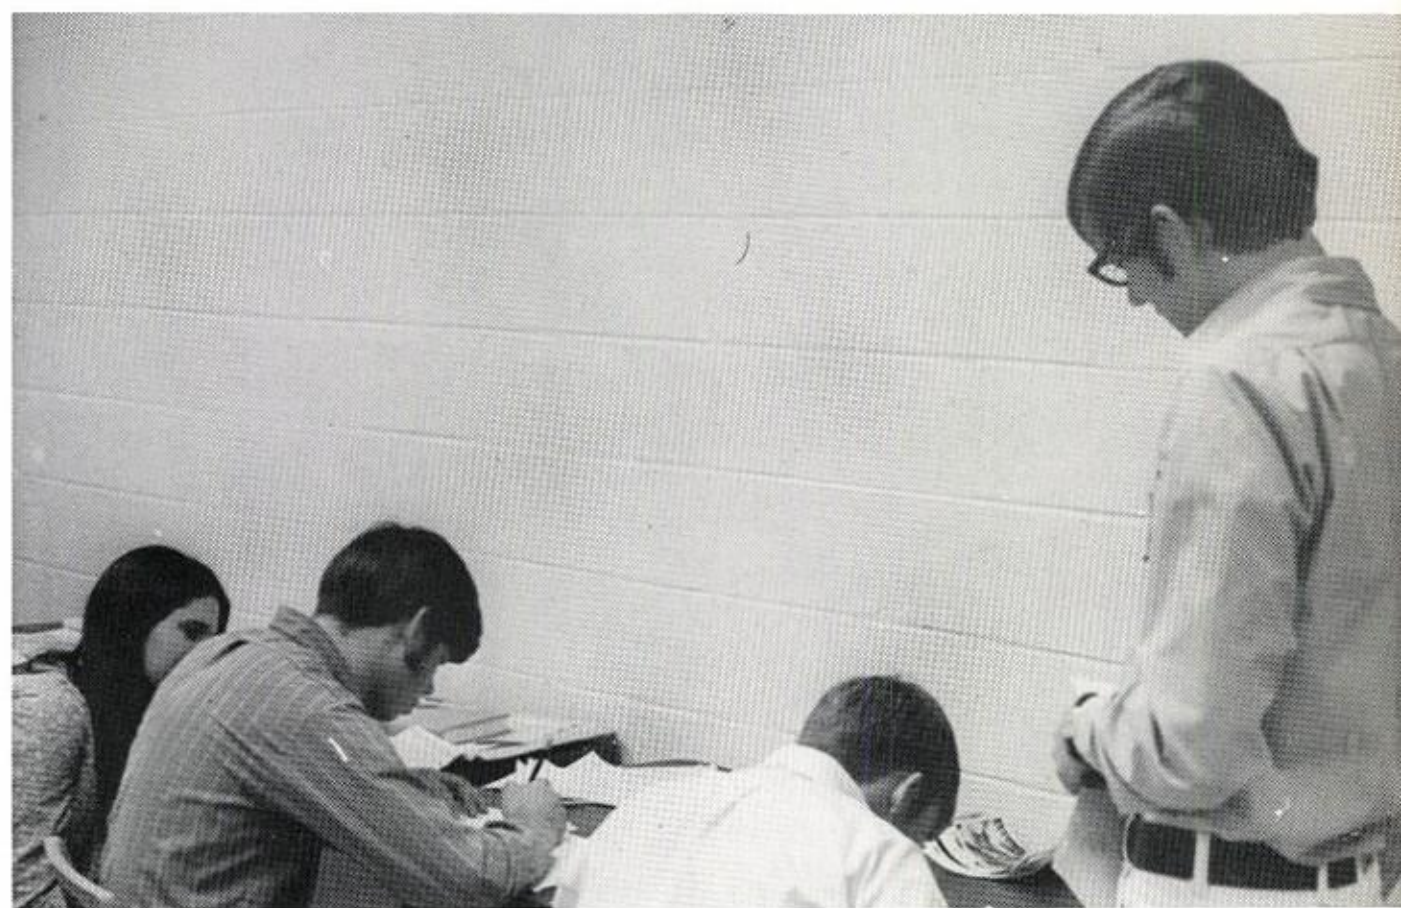

SAGA . . . When the deadline is met, I am going to have a nervous breakdown. I owe it to myself, I have worked for it, and nobody is going to deprive me of it!

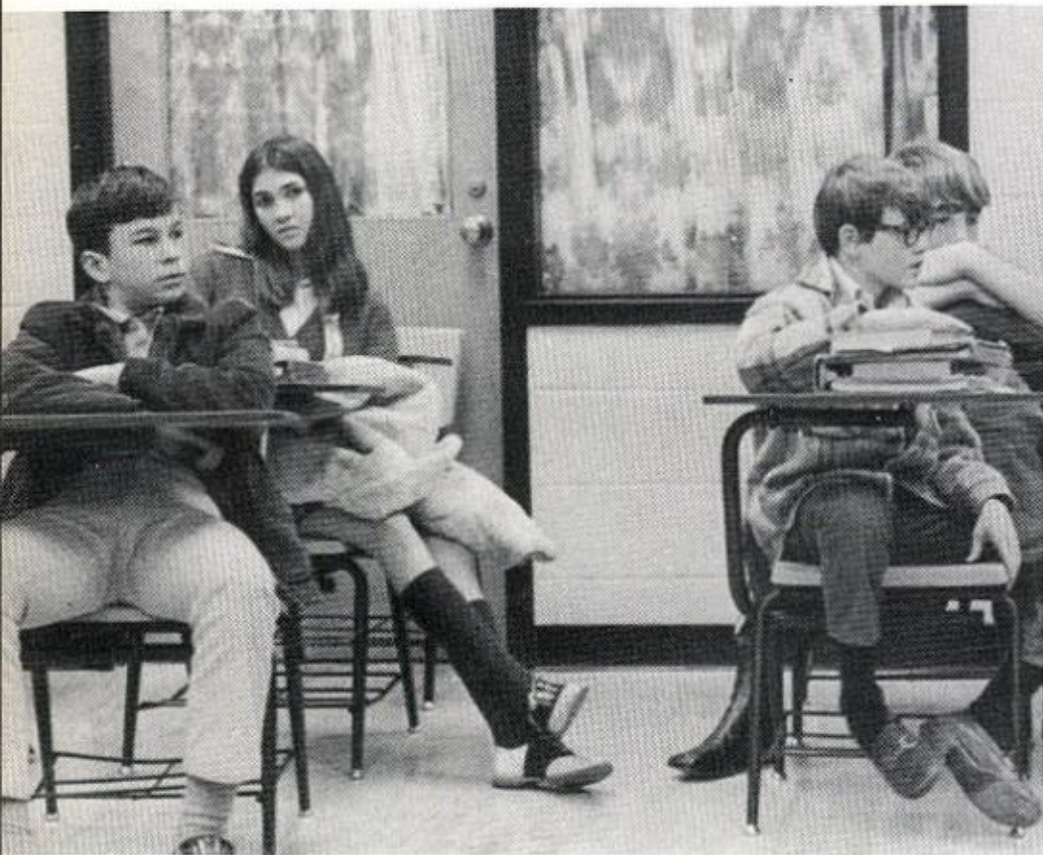

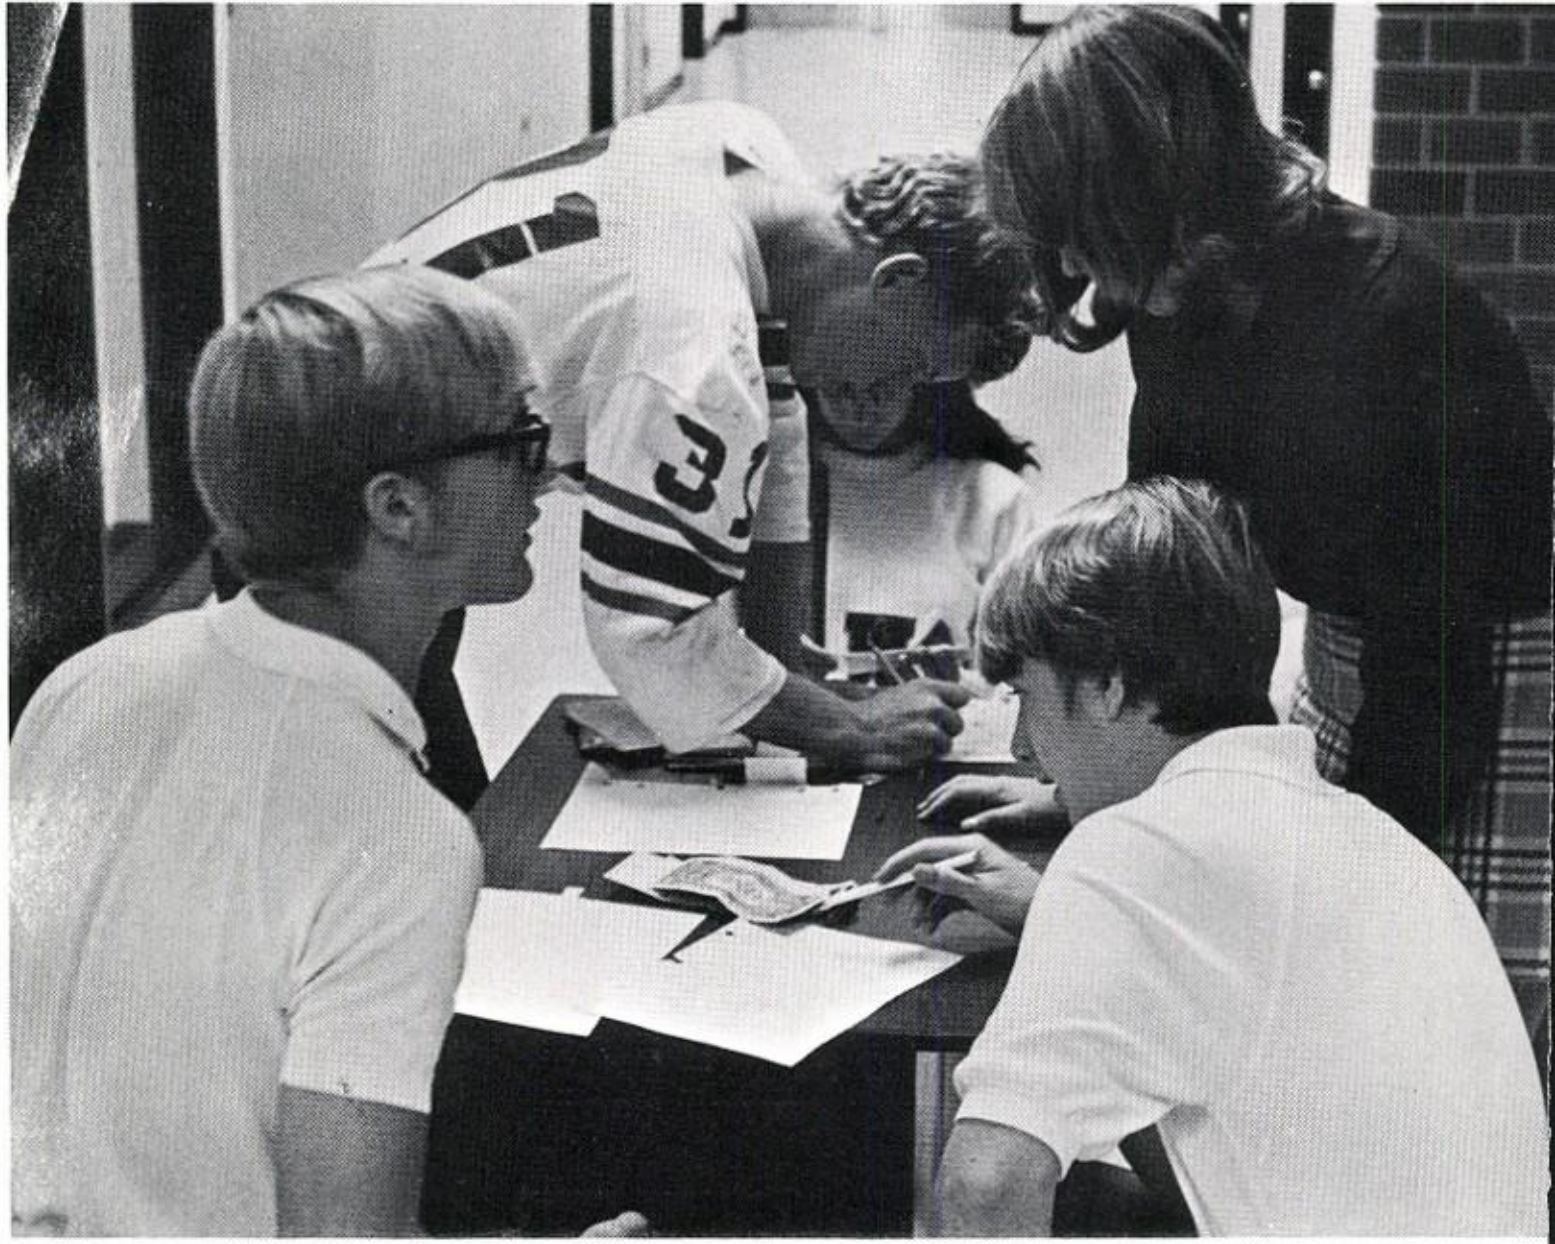

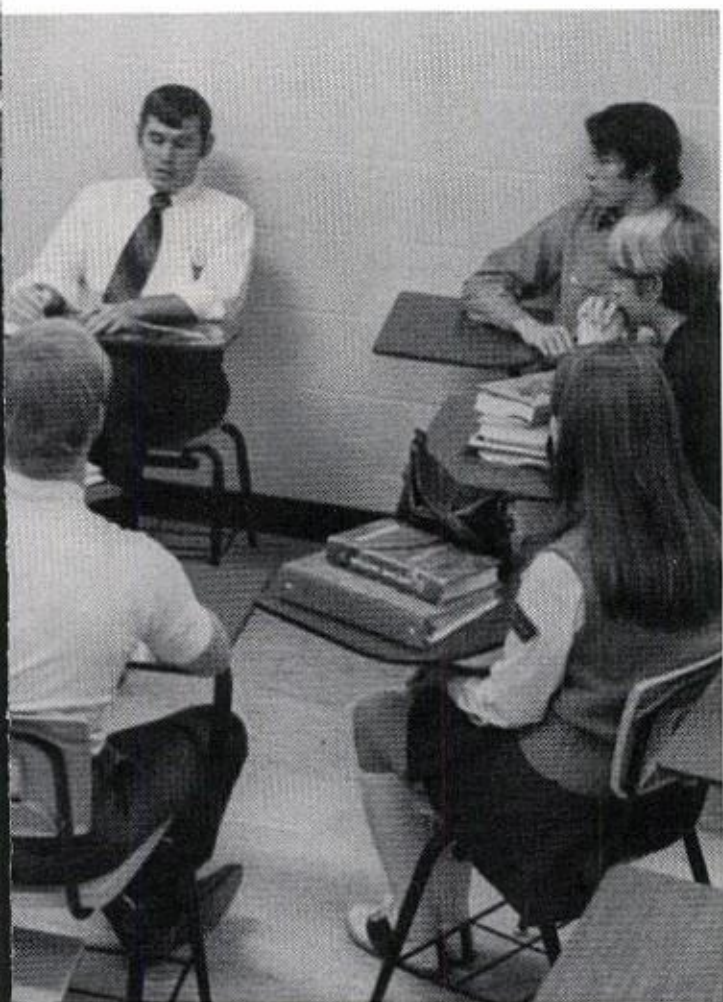

Steve,  
 It was a great  
 year, wasn't it.  
 Even better next  
 year. Well congratu-  
 lations on your  
 new job, hope  
 you'll enjoy it.  
 Be good this summer  
 and I'll see  
 you next year  
 when we're

From the studied election-of-officers process last spring, a week long summer work shop at Berry College, and a leadership conference early in fall has come the foundation for STUDENT COUNCIL at Westwood. You don't have to make straight A's to be on the council . . . you just need to be able to represent your homeroom to others. Magazines sales campaign and class officer elections accomplished; writing a constitution, completing service projects, and co-ordinating school activities still a challenge.

EDUCATION . . . To admit one to that heritage which society values so that he may continue the critical refinement of society demands commitment — a total commitment as exemplified in the 47 years given to Fulton County: Thank you, Dr. Paul West.

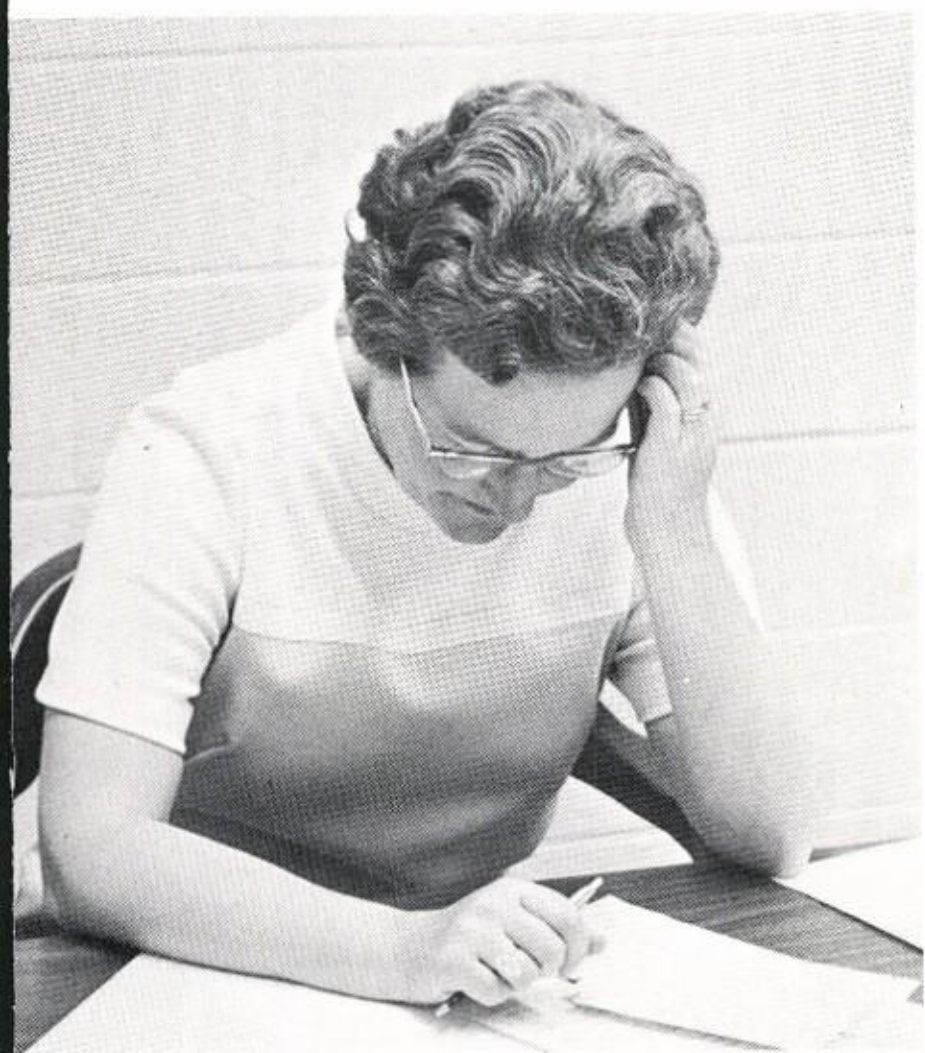

Mr. Paul R. Lewis  
Principal  
Mrs. Louise Liddell  
Assistant Principal

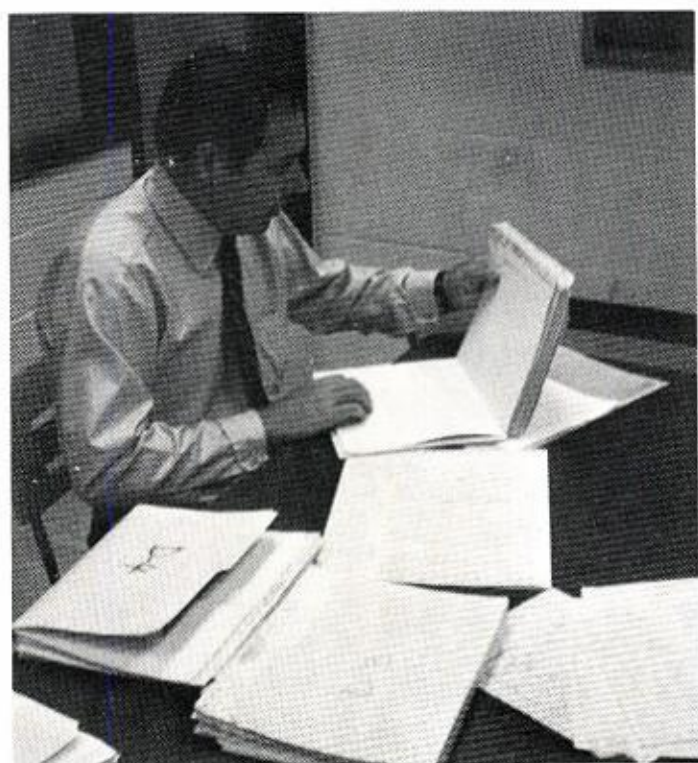

Mrs. Barbara S. Bone  
School Clerk

To ADMINISTER is to carry out the business of schooling, to co-ordinate student and teacher goals, to criticize and commend out of concern. The Office: check-ins, check-outs, bulletins, bells, passes, requests, and most notably, three people who will listen and answer.

**SPECIAL SERVICES** include a counselor who must master scheduling six hundred students into a hundred classes when hardly a soul can schedule anything the sixth period. Another service is helping others to help themselves . . . then giving assurance that help is always there if needed.

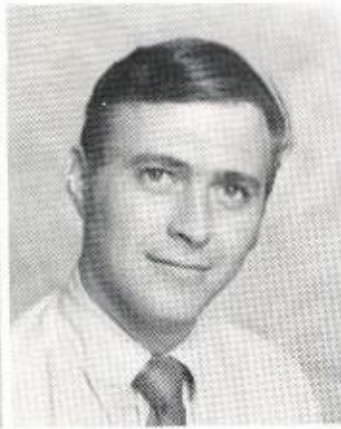

Mrs. Martha P. Blalock  
Library Clerk

**THE ARTS, FINE AND APPLIED:** Home Economics has extended its coed policy, a new sophistication governs the typewriters, Mr. Giles has a working concept: service to the school through experiences in art, and a white Satellite now crosses the parking lot ten times each day. Uniforms have been tailored to complement half-time routines, and Mr. Watson has literally built a new department.

**LANGUAGE ARTS:** adding a teacher from Missouri, sharing in Westwood's first dramatic success, supporting professional productions from A Thousand Clowns to 1776 and Julius Caesar on screen. Agnew's made rhetoric a believable word and Beowulf has proven both human and likeable in the new English literature courses.

Our MATH DEPARTMENT continues to grow; it has expanded to the home economics area, congratulated a new father, welcomed Mr. Turner replacing Miss Weed, and offered analysis (of math, or course).

Two new faces appear above the mats — even a red wrestling mat. A trampoline constructed by the girls? Reorganization, perfection — now there is a distinct **PHYSICAL EDUCATION** department.

SCIENCE: two huge and busy labs plus Coach Lanford, "wherever he is this period." Add enthusiasm, Human Physiology, projects, gerbels or any homeless creatures, and suddenly discovered questions; the results equal lively learning.

Thousands of mimeographed papers (A paper mill outlet, maybe?), hundreds of paperbacks and pamphlets, six pages to answer exam discussion questions, American history courses to match present day concerns, and a new instructor make an impressive SOCIAL STUDIES department.

Mr. Harold Derrick  
Head Custodian  
Mr. Henry Robinson

Mrs. Floy Shelnutt  
Mrs. Louise Smith  
Mrs. Estelle Voyles

The CUSTODIANS clean after 600 teenagers day after day. Yet more paper towels, a locked door opened, or a cafeteria ready in fifteen minutes for an assembly are all requests our amiable staff quickly fills.

Parents involved . . . PTA at Westwood is not just a meeting held once a month. It is manning a clinic, barbecuing hams by the truckload, preparing a feast to honor the faculty, supporting everything everywhere . . .

Chairman  
Volunteer Clinic Staff

**BUS DRIVERS . . . patience plus: a broken-down bus with loud, lively students. Daily the pumpkin coach appears momentarily out of the gray; then at the ringing of the bell, it reappears to spirit its riders away.**

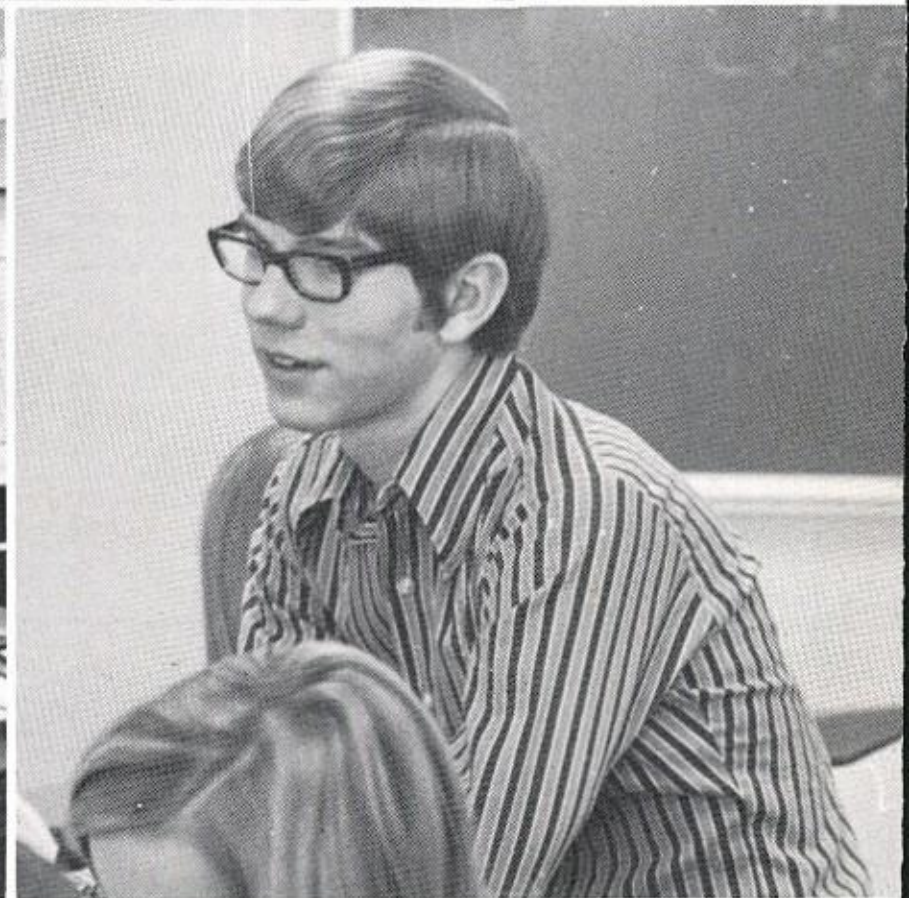

Steve,  
It's been fun in  
English, Journalism  
Math and all those other  
good classes. Good luck in '72.

Westwood's become a way  
of life — "seems like we  
live at school": club  
meetings, detention,  
rehearsals, make-up tests,  
games, varsity practice  
schedule — no easier but  
more fun. Then, "What  
are we selling now?"

Finally somebody — or a part of something, at least: Ben and Jeff made varsity football, Vickie treasurer of Student Council. The play Scrooge, which the Honors English class saw was so much better than that worn-out T.V. Beginning again! "Gosh, we were scared at first — they called us punky eighth-graders and we were forced to agree with them." Gradually we found our place and began to enjoy Westwood's routine: long homeroom, assemblies, a day off for registration. Newness, awareness, confusion, we've got to impress them, baby Vikings or not.
